# Prestwick Mission, Vision, Collective Commitments and Cornerstones

The Mission of Prestwick Elementary is to:

ENGAGE, EQUIP, and EMPOWER each student to realize their full potential.

#### Vision:

The Vision of the Prestwick Elementary Community is to be "THE Destination School."

#### As Lobos We VALUE:

- A culture founded on the highest qualities of character
- Unleashing every individual's highest potential
- Creating a community where every student loves to learn, every teacher loves to teach, and every person is proud to call home
- A foundation of culture that values unity and pride
- Embracing all of our kids as all of our kids
- Open, transparent, and timely communication

#### **District Cornerstones**

- Focus on teaching the standards to the stated level of rigor so each student has an equal opportunity to learn in LEISD.
- Focus on the intentional design of Rigorous, Relevant, and Engaging lessons in every classroom.
- Support highly effective Professional Learning Communities in a variety of ways throughout each campus.

#### Little Elm ISD DIP/Strategic Plan Goals

#### Teaching and Learning

- We will provide a guaranteed & viable curriculum that ensures all students have equal learning opportunities.
- We will engage each student in learning experiences that increase student growth and achievement.
- We will engage each student in learning experiences that lead to increased college, career, and military opportunities for post-secondary readiness.
- We will engage each employee in meaningful learning experiences that support student success.

## Community Engagement

• We will communicate with the LEISD community to build trust, support, and involvement.

o We will foster relations with community partners to enhance educational opportunities.

## • Human Capital

• We will recruit, recognize, and retain high quality and effective personnel to support student success at every level.

# • Ensuring Fiscal Health and Stability

• We will ensure funding for teaching and learning, operations, and capital improvements to support student success at every level.

# **Executive Comprehensive Needs Assessment Summary**

| Areas Examined      | Summary of Strengths<br>(What Strengths were identified?)   | Summary of Needs<br>(What needs were identified?)   | Priorities (What are the priorities for the district?)   |
|---------------------|---|---|--|
| Demographics        | Prestwick has 480 students and some diversity with 52% of the population being White, 38.8% being Hispanic, 15% African-American, 1.2%, Asian/Pacific Islander, 8% Two or more races and 1% American Indian. The economically disadvantaged population accounts for 7% of our students for the 2020-2021 school year. 25% of our students were designated at-risk. Our English Learner population is 6%. The percentage of students with dyslexia is 7%. The percentage of G/T students is 13%. Students that qualify for special education is 8%. The mobility rate is 0%. | Prestwick will incorporate more celebrations of diversity and inclusiveness among all students.   | Our priorities for this year will be to improve collaborative planning to better meet the needs of all students in the regular classroom setting. We will target processes and procedure fidelity in our planning. |
| Student Achievement | Prestwick's Achievement for the 21-22 school year is as follows:  • STAAR 3-5 Students Reaching the Approaching Level or Above  | Although the achievement<br>for Prestwick is at an<br>adequate level the area of<br>focus will be on student<br>growth. Goals as follows: | Our priorities for student achievement will be focused on student growth. At least 60% or our students will be expected to make adequate growth on STAAR and MAP.  |

#### **Curriculum and Instruction**

Our campus showed improvement in moving away from all whole group instruction and putting processes in place to intentionally grouping students based on data and student learning. Teachers have moved away from seeing small groups as time not spent covering content in a whole group setting.

Our focus has been on material coverage and hitting timelines rather than focus on student learning. Teachers have not felt empowered to make adjustments to timelines, assessment, ect. based on what students need to reach their highest potential.

Our priorities this year will be identifying, teaching, assessing, re-teaching and re-assessing essential TEKS. We will also prioritize intervention and enrichment of the essential TEKS. This work will be embedded in our collaborative planning. Teachers will be encouraged to make adjustments driven by student learning.

| Culture and Climate             | Prestwick has worked very hard on reforming culture and climate. With the addition of becoming solely an elementary school, new administration and 12 new teachers added the previous year there was a need which was very successful. | Prestwick did not have a collaborative planning structure in place. Planning was spruratice and done by individual teachers. The focus was on covering content in single subjects individually. | Our priorities will be focused on creating a collaborative environment where teachers feel comfortable to take risks, use failure as an opportunity to learn and rely on each other for the success of all Prestwick students. |  |
|---------------------------------|--|---|--|--|
| Staff Quality and<br>Retention  | Prestwick had a 90% retention rate from last year to this school year. The recruitment process is focused on using a specific interview process to ensure the hiring of high quality teachers.   | Prestwick is adjusting to change in instructional expectations and approaches to foster the growth of every student.  | Our priorities are to give timely feedback on planning and instruction. Professional learning and support that assist teachers in reaching the highest potential.  |  |
| I proficient with technology or |  | Prestwick received new<br>Promethean Boards this year.  | Our priority is professional learning from instructional technology on a   |  |

| Family/Community<br>Involvement | Prestwick has a very involved community and PTA. They support our teachers with grants for classrooms that enrich learning. They volunteer at school and community partners provide lunch, donations, etc. | Based on a parent survey that was completed by Prestwick parents the need for a more streamlined approach to communication was identified as a need.  Teachers have been apprehensive to communicate student concerns with families to avoid difficult conversations. | Our priorities will be to commit<br>to a campus wide approach to<br>weekly communication with<br>families. It will contain<br>specific/uniform components<br>and be sent on a universal<br>timeline for consistency. |
