What is it?

The Kirby's Return to Dream Land Collab is a celebration of the wildly popular Wii title by a passionate group of Kirby fans and artists. Kirby's Return to Dream Land is a game that's very special to not only me, but so many of us in the Kirby community. This project will honor our favorite game in the best way Kirby fans can... *together!* This October will mark the 14th anniversary of the beloved game. We want that day to be a very special day for all Kirby fans! Join us in creating something magical. Whether you've been a fan for years or just discovered the game, this collab is for you. Applications open April 18th at 5pm EST

The Collab

This collaboration project will feature everyone's artwork on one large canvas, showcasing all the characters together in a vibrant celebration of *Kirby's Return to Dream Land*.

To keep everything clean and cohesive, all drawings must have a transparent background and be submitted in PNG format. Please make sure your piece is high quality and follows the canvas guidelines so it fits nicely into the final composition. Each artist's work will be arranged with care, so every submission shines as bright as the big picture. We can't wait to see all the amazing styles come together in one dreamy display!
