

2026 Pathways to Inspire Summer Institute

Mapping Your School's 9-12 College & Career Planning Sequence College & Career Planning Team, Office of Student Pathways

Session Objectives

- ✓ Participants map their school's sequence of advising and awareness experiences (CNR), staff capacity to plan and deliver those experiences, and strong postsecondary planning outcomes aligned with POAG
- ✓ Participants build a Fall 2026 calendar for delivery of personalized advising and career navigation roadmap aligned planning experiences that leverages digital advising tools to increase reach and engagement
- ✓ Participants engage with school-level exemplars and in peer-to-peer consultancies for improving targeted student support systems to meet annual targets for strong plan performance metrics

Resource Corner

Pathways Learning Hub

This session is designed as a progression, from connection to action, so you leave with tools you can implement immediately.

Activity	Duration
Welcome & Icebreaker With your school team, select one vignette: Ethan, Marcus, or Zora. Use the Career Navigation Roadmap to discuss the student's 9-12 advising journey.	10 minutes
Framing of Session and Content Connect NY Inspires, the Portrait of a Graduate, student group performance data, and the Career Navigation Roadmap to school advising priorities	8 Minutes
Setting up the activity Choose the planning option that best fits your school: Foundational, Strategic, or Advanced.	2 minutes
Team/participant work time Update your implementation plan by mapping September-December 2026 experiences, identifying gaps/resources, and naming one action.	25 minutes
Share out & reflection Share one key understanding, one reflective word, and one team commitment before the next meeting.	5 minutes
Closing & Next Steps Finalize the implementation plan and connect with your CCP Strong Plan Point to review the fall 2026 advising plan.	5 minutes
