

# Scholastic Art & Writing Regional Awards 2020

Congratulations to our studio art & digital media art students for their success at the 2020 Scholastic Art & Writing Regional Awards!

The Scholastic Art & Writing Awards is the longest-running, most prestigious recognition program for creative teens in the U.S., and the largest source of scholarships for young artists and writers. The Scholastic Art & Writing Awards have an impressive legacy dating back to 1923 and a noteworthy roster of past winners including Andy Warhol, Sylvia Plath, Truman Capote, Richard Avedon, Robert Redford and Joyce Carol Oates. Regional judges reviewed nearly 5,000 pieces submitted by 229 educators. Works were judged on originality, technical skills, and the emergence of personal vision or voice.

We wish the best of luck to our Gold Key winners as their work continues on to the national competition.

## Portfolio Awards

Graduating Seniors may submit a series of 8 distinct works that communicate a single cohesive idea or visual investigation. Portfolios that are selected are considered for national-level recognition. At the national level, Scholastics provides 16 Gold Medal Portfolio recipients with \$10,000 scholarships and 30 Silver Medal with Distinction Portfolio recipients with \$1,000 scholarships.
