We like walking the dog around the block.
My dog barks to say “hello.”

Salient Features: Dogs have a snout, soft paws, and a wagging tail.

We like wearing a floppy hat when it rains.
My rain hat feels slick and crinkly.

Salient Feature: Hats have a round dome that covers your head and a wide rim that shades your eyes.

We like picking flowers from the ground.
My flowers smell so sweet.

Salient Features: Flowers have long, green stems, soft petals, and smooth green leaves.

We like throwing the football in our backyard.
When I drop my football, it lands with a thud.

Salient Features: Footballs are shaped like ovals and have laces you can feel on top.

We like having picnics on a blanket at the park.
My picnic blanket is soft and cozy.

We like spring!
