

ENGLISH INTELLIGENCE ACT

Whereas, the *Government Organization Act* (SL.3) requires senate approval for buildings to be constructed in the government plaza.

Whereas, the Government Plaza has successfully been constructed outside the city of London.

ARTICLE I: PURPOSE

Section 1. All relevant government entities are hereby authorized to begin the construction of the *Intelligence Agency* building within the government district.

- A. The governor title gained from the construction of the *Intelligence Agency* shall be used to gain the *Local Informants* promotion for in-game governor (IGG) Amani.
- B. Should *Local Informants* be unavailable the Ministry shall be empowered to select a prerequisite.

ARTICLE II: INTELLIGENCE AGENCY

Section 1. The Senate hereby creates the English Intelligence Agency, which may also be referred to as MI6.

Section 2. The Senate empowers the Ministry with creating as many or as little procedures regarding the management and participation of the English Intelligence Agency.

- A. These procedures include, but are not limited to, which missions to send spies on, where spies are to be sent, espionage strategy, and leadership hierarchy.

Section 3. The Senate reserves the power to regulate, direct, or otherwise legislate on all issues concerning English intelligence.
