WHAT'S COMING UP

Week Beginning Sunday 23rd January 2022

Sunday 23rd January	Den Week
Monday 24th January	Den Week
Tuesday 25th January	Den Week
Wednesday 26th January	Den Week
Thursday 27th January	Den Week/ Pyjama Day

THIS WEEK'S TOP STORIES AND INFORMATION

Den Week

Children will be building dens this week by using different props and materials to create their own spaces. These activities encourage team work, imagination and cooperation. It also helps to develop problem solving and critical thinking skills.

Pyjama Day

Please send your child wearing warm and cozy pyjamas to school on Thursday, January 27.

Seesaw Activities

Starting Sunday, January 23, children in KG and Reception will be provided with activities on Seesaw. These activities are particularly for those children who have to quarantine or cannot attend school for other reasons.

Communication

If you need to contact me for any information or if you have any concerns, please do not **reply all** to this email and instead send me a private message at alzuhaik@kes.edu.kw

Reports

Please note that Prep Department reports will be issued on February 23, 2022.

Registration

KG registration for the 2022-23 school year has now started. We would like to give priority to our children's siblings. If you would like to register your child, please fill in an application form online on the school's website (www.kes.edu.kw). You will be contacted once the application has been received. **Please note that this is for new students and does not apply to the children who are already enrolled in our school.**

Late Arrivals

Some children have been arriving at school late in the morning. This causes your child to be unsettled and creates a distraction for the other children. The morning session is a very important time of the day when children are most alert and more susceptible to learning. Please make sure your child is at school by 7:30 AM.

Sick Children

I would like to remind you to please keep your child at home if they are exhibiting any symptoms or are not feeling well. This is for the safety of all children and staff.
