

Schoology Timeline for HMS

Dear Teachers,

Welcome back. With the new year comes a new learning platform that we will begin utilizing in the not too distant future. As of Monday (1/4) all Holman teachers should be able to log into their Schoology account by going to <https://henrico.schoology.com> and signing in with their Henrico credentials. I encourage you to do some self - discovery. Feel free to log in and check out the design as well as to get a feel for the new interface. We will begin a training process very soon that will include 4 types of training.

1. In Person Group Training (Planning/Staff Dev Days)
2. *Individually via Online Modules
3. Combination of 1 & 2
4. By Appointment - One on One via [Calendly signup](#)

* Teachers who complete the online modules prior to a Staff Development Day will have the option to work in their classrooms during training. Each in person group training session will take about an hour. I will also offer a few trainings throughout the year during planning sessions. Dates TBD.
