Activi	ity Information						
Prop	posed Activity Title			g the Digital Divide through Ac			
Activity Description (include Materials Needed)			This workshop is intended to persuade its participants to contribute in the academic recovery of the damage caused by the Coronavirus pandemic crisis. It is meant to elucidate the lasting negative effects that the crisis may inflict on children. The goal is to encourage the attendees to develop strategies that the crisis does not perpetuate lifelong intellectual scars in children. In the presentation, there will be the exposition of the overarching need for access and equity.
