This contract is in no way legally binding, and is meant only as an aid for better understanding of the needs, duties and responsibilities of Master and slave.

I Samantha, hereinafter referred to as slave, do of my own free will, and being of sound mind and body, hereby offer myself in consensual slavery to Brett, hereinafter referred to as Master, for the period beginning at midnight on May 15, 2012 and ending at midnight on September 15, 2012.

This agreement may be terminated at any time before the above named date by either party in the event of breach of contract or personal emergency. On the above named date this agreement will be reviewed, renegotiated and rewritten, or terminated.

<u>Provisions of Contract</u>

Slave agrees to obey to the best of her ability, and to devote herself entirely to the pleasure and desires of the Master during the meeting times set aside. Meetings will be held a minimum of once per month, and a maximum of three times per week to be determined on a week by week, or month by month basis. Master accepts full responsibility of slave during these meetings. This includes but is not limited to: slave's survival, health, physical well-being, and mental well-being. Slave accepts full responsibility for informing Master of any real or perceived dangers or safety concerns, but also agrees that Master's decision will be final regarding these issues. Master agrees that slave will not be punished for respectfully stating these concerns, and further agrees to listen to slave's concerns with a clear and open mind. Master shall endeavor not to inflict physical harm upon slave which might require the attention of someone outside the relationship.

Master will have complete control over slave's diet and exercise regimen at ALL times. Slave will text Master after every meal, and will make changes in diet as suggested. During appointed meeting times Master will have complete control over slave including, but not limited to:

2. **Roles of servitude (cooking/cleaning/shopping)**
3. **Events outside Master's home**

Slave agrees to accept the responsibility of using a safe word when necessary. Slave acknowledges that the safe word is "red". Master accepts the responsibility of stopping activities in progress to assess situations where slave uses safe words and will, to the best of his ability, make judgments on whether to modify the activity or stop the activity entirely. Slave agrees to hold no ill will due to Master's decision.

Slave agrees to answer any and all questions asked freely, promptly, and to the best of her knowledge. Slave further agrees to volunteer any information that Master should know regarding slave's physical or emotional state. Master agrees to never use this information to harm slave in any way.

Slave states that her limits are as follows:

1. **Nothing illegal (including drugs)**
2. **No permanent marks or scarring**
3. **No marks in visible places unless discussed beforehand**
4. **When and if intercourse is involved safe sex (condoms) must be discussed.**

Master agrees to never violate these limits without prior negotiation of, and consent by, slave.

Slave agrees and understands that any infractions of this agreement, or any act slave commits which displeases Master, will result in punishment. Slave will gracefully accept punishment and try to learn from it. Slave understands that failure to comply with Master's orders will result in a more severe punishment. Master will inform slave that she is being punished when punishment occurs, and will explain the reason for punishment either before, during, or following punishment. Master agrees to discipline only out of a desire to better the slave and her servitude, and further agrees to never punish out of, or during, feelings of anger.
