

## **Call for National Week of Action for Land Day**

WHEREAS, the Anti-War Action Network stands in solidarity with the Palestinian people, their right to self determination and for an end to funding of the genocide and apartheid of Israel by the United States Government.

WHEREAS, a goal of the Anti-War Action Network is to organize anti-war and Palestine solidarity groups from around the United States to participate in National Days of Action.

WHEREAS, Land Day is a significant day of large scale Palestinian resistance. On March 30th 1976, Palestians bravely resisted Israeli seizure of over 1,500 acres of land, organizing a general strike and marches. Six Palestinians were killed, 100 wounded, and the day remains a symbol of Palestinian's commitment to defend their land, their resilience, and determination to rebuild. Each year on March 30th Palestinians commemorate land day to demand an end to the occupation.

WHEREAS, the Great March of Return demonstrations also began on March 30, 2018 to demand the end of the Israeli blockade and the right of return for refugees. Protesters were attacked by Israeli Occupation Forces with use of tear gas, rubber-coated bullets and live ammunition.

WHEREAS, this year is another critical year to defend the right to return! Trump and Netanyahu want to push Palestinians out of Gaza and destroy the West Bank.

THEREFORE, be it resolved that the Anti-War Action Network calls for a Week of Action for Land Day surrounding March 30th to commemorate the brave acts of resistance in Palestine on March 30th and demand the right to return and an end to US aid to Israel.
