

Thursday, July 31, 2025

WELCOME BACK!

Students will report to advisement first (approximately 1 hour to review handbook and give out necessary information). *See location handout.

Hand out forms (encourage students to get them filled out and return them as soon as possible). ALL color copies are REQUIRED documentation:

| | | | | |
|--------------|---------|---------|---------|-------|
| Student Info | Medical | Migrant | Compact | PLAY |
| Light Blue | Pink | Purple | Peach | Ivory |

The forms should be turned into the front office.

Hand out school agendas.

[2025-2026 Student Handbook](#)

As you begin reviewing the handbook (online), have students sign that it has been reviewed with them and they know how/where to access it. If they would like a hard copy, they can locate the form under the student tab on the homepage (Handbook Request) - when completed they will be issued one within 3 days.

[Handbook Review](#)

This is the minimum list of items to review with advisement - it is not exhaustive. Spend time reviewing the handbook in detail.

Those that drive can purchase a parking permit from Mrs. Jordan before or after school. ALL cars on campus should have a visible parking permit.
