

GLAM-Evogen COVID-19 Self-assessment form

Covid Guidelines: To help minimize risks and promote a safe environment at the GLAM-Evogen, some Health & Safety policies have been adapted based on current best practices, CDC, New York State, and University at Buffalo guidelines. Please read the following carefully and complete the form.

Vaccination: I am fully vaccinated against COVID-19 (e.g., I received two doses of Pfizer or Moderna, a single dose of Johnson & Johnson, or a full series of another vaccine authorized by the CDC.). Please provide proof of vaccination during registration of the event.

Tests: I was tested negative in the last 24 hours for COVID-19 (or recently recovered from the disease). Please ask for registration desk for complimentary test kits if needed.

Previous exposure and symptoms: I was not diagnosed with COVID-19 and have had no symptoms of the disease in the last 5 days.

Please note that we encourage all conference attendees to wear masks where it is difficult to maintain social distancing unless they are actively eating or drinking.

IMPORTANT: In light of events surrounding COVID-19, this is an appropriate time to remind ourselves of the risks incident to participating in-person meetings. Even with every reasonable precaution, we cannot fully eliminate all risks posed by COVID-19 or its variant strains. Ultimately, you are responsible for your own safety. Please do not travel to or attend the conference if you are sick, have been exposed to anyone with a documented or suspected case of COVID-19 within 10 days, or exhibit any symptoms of COVID-19.

I declare that the information that I provide in this form is true and accurate.
