

Privacy Policy

1. Introduction

Welcome to our application. This Privacy Policy explains how we collect, use, disclose, and protect your personal information when you use our AI doll-generation app ("App"). By uploading your photo and customizing accessories, you agree to the terms described in this policy.

We value your privacy and are committed to ensuring that your data is handled responsibly and transparently. This policy applies to all users of the App and covers the data collected through our services, including images, customization inputs, and device-related information.

Please read this Privacy Policy carefully. If you do not agree with the practices described here, we recommend not using the App.

2. Information We Collect

When you use our App, we may collect the following types of information:

2.1. Personal Data You Provide

- **Photos:** When you upload your photo to generate an AI doll, we temporarily process your image to create results.
- **Accessory Selections & Customization Inputs:** We collect the choices you make regarding doll customization (e.g., hairstyle, clothing, accessories) to generate personalized content.

2.2. Automatically Collected Data

- **Device Information:** We may collect data about your device, such as device model, operating system version, language settings, and mobile device identifiers.
- **Usage Data:** We collect information on how you interact with the App, including session duration, features used, and crash reports.

2.3. Analytics Data

We may use third-party analytics tools to collect anonymized data for performance monitoring and to improve our services. This includes aggregated data such as feature popularity and user engagement trends.

We do not collect or store biometric data or facial recognition patterns. Uploaded images are used solely for generating your AI doll and are not stored longer than necessary for processing, unless explicitly stated otherwise.

3. How We Use Your Information

We use the information we collect for the following purposes:

3.1. To Provide Core Functionality

- To generate personalized AI dolls based on your uploaded photo and selected accessories.
- To deliver a smooth and engaging user experience by storing temporary data necessary for processing.

3.2. To Improve and Optimize the App

- To analyze how users interact with the App in order to improve functionality, performance, and design.
- To fix bugs, monitor system performance, and enhance usability.

3.3. To Communicate With You

- To send important updates, service-related notifications, or respond to your inquiries, if applicable.

3.4. For Legal Compliance and Protection

- To comply with applicable laws, regulations, or legal obligations.
- To protect the rights, safety, and property of the App, its users, and others.

We do **not** use your photos or customization inputs for advertising purposes, nor do we sell your personal data to third parties.

4. Data Storage and Retention

4.1. Photo and Input Data

Uploaded photos and customization choices are temporarily stored on secure servers solely for the purpose of generating your AI doll. These files are automatically deleted after processing is complete, unless the user explicitly consents to saving them (e.g., for gallery or history features).

4.2. Usage and Technical Data

Non-personal data (such as usage statistics and device information) may be stored for a longer period to help us improve the App and monitor performance. This data is anonymized and does not identify individual users.

4.3. Data Retention Period

We retain personal data only for as long as necessary to fulfill the purposes outlined in this Privacy Policy, unless a longer retention period is required or permitted by law. Once data is no longer needed, it is securely deleted or anonymized.

4.4. Storage Location

All data is stored using reputable cloud service providers with industry-standard security protocols. Depending on your region, data may be stored in servers located in or outside your country of residence, in compliance with applicable laws.

5. Data Sharing and Disclosure

We take your privacy seriously and limit the sharing of your data to only what is necessary. We may share information in the following cases:

5.1. Service Providers

We may share data with trusted third-party vendors who help us operate the App and provide services such as cloud storage, image processing, analytics, and customer support. These providers are obligated to protect your data and are not allowed to use it for any other purpose.

5.2. Legal Requirements

We may disclose your information if required to do so by law or in response to valid legal processes, such as a court order, subpoena, or government request.

5.3. Business Transfers

In the event of a merger, acquisition, or sale of all or a portion of our assets, your information may be transferred as part of that transaction. We will notify users if such a change occurs and outline any choices you may have.

5.4. With Your Consent

We will never share your personal data for marketing or promotional purposes without your explicit consent.

We do **not** sell, rent, or trade your personal information to third parties under any circumstances.

6. Your Rights and Choices

We respect your privacy rights and provide you with the ability to control your personal information. Depending on your location and applicable data protection laws, you may have the following rights:

6.1. Access and Correction

You have the right to request access to the personal data we hold about you and to request corrections if any information is inaccurate or incomplete.

6.2. Deletion of Data

You can request the deletion of your personal data, including uploaded photos and customization inputs, unless we are legally required to retain it.

6.3. Withdrawal of Consent

If you have given us consent to use your data for specific purposes (e.g., saving AI doll creations), you may withdraw your consent at any time by contacting us.

6.4. Opt-Out of Analytics

You can choose to disable analytics tracking via your device settings or by contacting us, though this may affect certain App features.

6.5. Data Portability

Where applicable, you may request a copy of your personal data in a structured, commonly used, and machine-readable format.

To exercise any of these rights, please contact us at the email address provided in the **Contact Us** section. We may need to verify your identity before processing your request.

7. Data Security

We are committed to protecting your personal information and take reasonable measures to safeguard it from unauthorized access, use, disclosure, alteration, or destruction.

7.1. Technical and Organizational Measures

We implement industry-standard security practices, including:

- Secure data transmission using encryption (e.g., HTTPS)
- Firewalls and intrusion detection systems
- Access controls to limit data access to authorized personnel only

7.2. Storage Security

User data is stored on secure servers operated by trusted service providers who are required to maintain strong security protocols.

7.3. Limited Retention and Processing

Photos and customization inputs are stored only for the time required to generate the AI doll and are automatically deleted after processing, unless otherwise specified or consented to by the user.

7.4. User Responsibility

While we do our best to protect your information, no system can be 100% secure. We encourage you to use a strong device password, avoid sharing your account or personal details, and contact us immediately if you suspect any unauthorized use of your data.

8. International Data Transfers

Our services may be accessed and used globally. As a result, your information may be transferred to and processed in countries outside of your country of residence, including countries that may not have the same level of data protection laws.

8.1. Data Handling Practices

Regardless of where your data is processed, we take appropriate safeguards to ensure your personal information remains protected in accordance with this Privacy Policy and applicable laws.

8.2. User Consent

By using the App and submitting your personal information, you agree to the transfer, storage, and processing of your information in countries that may have different data protection rules than your own.

9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes in our practices, technologies, legal requirements, or for other operational reasons.

9.1. Notification of Changes

When we make material changes, we will notify you by updating the date at the top of this policy and, where appropriate, through in-app notifications or other communication methods.

9.2. Your Continued Use

By continuing to use the App after any updates to this Privacy Policy, you agree to the revised terms. If you do not agree with the changes, you should stop using the App and may request the deletion of your data.

We encourage you to review this Privacy Policy periodically to stay informed about how we are protecting your information.

10. Contact Us

If you have any questions, concerns, or requests related to this Privacy Policy or the way we handle your data, please feel free to contact us:

Email: ai.dolls@outlook.com

We will do our best to respond to your inquiries in a timely and transparent manner.
