

DIRECTIONS:

Choose two questions to **answer** from the list below. Please refer to “How to Answer Homework Questions” on Blackboard, under Course Resources, if you are not sure how to answer a question.

After you have posted your answers, **reply** to two of your classmates’ responses. Your reply must do one of three things:

- **Add** information that was left out of the original answer
- **Correct** incorrect information in the original answer
- **Connect** the original answer to another course topic or a current event

Answers and replies are graded on a complete/incomplete basis.

- Complete answers will follow the guidelines set out in How to Answer Homework Questions.
- Complete replies will add something substantial to the discussion. (Responses like “Yes,” “No,” “I like your answer,” or “I agree” are **not** complete responses.)
