

Please note: This bibliography contains a mix of primary and secondary sources. It also uses contemporary geopolitical borders as its primary categorization method. We acknowledge, however, that geopolitical borders have changed over time and the current categorizations may or may not be the ones that were present at the time of the historical period discussed in these categorized sources.

The Americas

Audain, M., 2022. *Mexican Canaan : fugitive slaves and free blacks on the American frontier, 1804-1867*. Doctoral. Rutgers University. - Thesis regarding the migration of formerly enslaved people from the United States to New Spain (later Mexico). [Link to dissertation.](#)
