Roll Call (above): <u>Acceptance of Minutes:</u> Mr. Warnero moved, and Mr. Tripp seconded to accept the minutes from the May 10, 2023, all members were in favor. <u>New Business:</u> Graduation – Elementary 6 th Grade all went well; SCCTC is tonight at 6pm in Elementary Gym and High School is June 3 at 10am in the High School Gym. SRO, Security and PA State Police have all been contacted. Summer Projects – Current roof project, Dr. Cuomo took pictures of the port-a-john on the roof. Mr. Tripp informed the committee he received an email update today and gets them twice a week. Mr. Bach stated the inspector was onsite today. Mr. Tripp stated he took pictures yesterday by drone. They are doing well and should be completed on time, prior to June 30. The roof is finished from the upstairs high school to gym area, they are working on the office/all-purpose room area now. Solar panels are gone, chimney is being taken down now. Dr. Cuomo stated we will need to find a new spot for the clock. The only section of the roof which still needs to be done is the Auditorium hallway, the wood shop and gym area which is due in 2027. Mr. Tripp informed the committee there are rooms being painted in the elementary. Paving wasn't in the budget to replace but will sealcoat both entrances to the high school. Mr. Tripp called to see if the gym floors could be done over Thanksgiving break but hasn't heard back if this is possible. Mr. Warnero asked about the door for the courtyard. This is being worked on as well. Elementary keying must be done prior to June 30. Guyette is here today working on the Fobs for the doors. Mr. Gazzillo informed the committee Coterra had a delay with the paving CDL building and pavilion to the road. We do have extra funding left to add berming and guiderails. Mr. Tripp stated working with Mr. Weisgold n playground updates ie. equipment, used turf and rubberized mulch, with the help from Community Foundation and PTO, along with possibly other grants with the walking trail and playground with Community use. Mr. Osborn informed the committee there will be updates to the dining room and cosmetology areas as well. Mrs. Griffiths informed the committee we had a grant from Rotary, and it was used to purchase 'choking devices, they will be kept with AED boxes, as well as in the cafeteria's which maintenance will need to make something to store them in. Dr. Cuomo informed the committee there will be several inspections this summer ie. Elevators, lift, fire extinguishers and Bus inspection will be on Tuesday, June 27. <u>Old Business:</u> Monthly walk-through – Have 1 for June. Monthly Emergency Drills – Drills are complete until September.
