

# Privacy Policy

**Last updated:** April 22, 2026

Dayvia (“we”, “our”, or “us”) respects your privacy. This Privacy Policy explains how our mobile application **Dayvia: Simple Daily To-Do List** handles user information.

## 1. Information We Collect

Dayvia does **not collect, store, or share any personal data**.

- No account creation is required
- No personal information (such as name, email, or location) is collected
- No user tracking is performed

All task-related data (such as daily to-do items and preferences) is stored **locally on your device only** and is never transmitted outside the app.

---

## 2. Third-Party Services

Dayvia does **not use any third-party services**, including:

- Analytics tools
  - Advertising networks
  - Social login systems
- 

## 3. Data Storage

All data is stored securely on your device.  
We do not have access to your data.

---

## 4. Notifications

Dayvia may send **local notifications** (task reminders) to help you stay consistent.

- Notifications are generated on your device
- No personal data is collected or shared
- You can disable notifications anytime from your device settings

---

## **5. Children's Privacy**

Dayvia does not knowingly collect any data from children under the age of 13. Since no data is collected, there is no risk of misuse.

---

## **6. Data Security**

Since no personal data is collected or transmitted, all information remains under your control on your device.

---

## **7. Changes to This Policy**

We may update this Privacy Policy from time to time. Any changes will be reflected on this page with an updated date.
