

Non-driver identification card

New Jersey residents 14 years of age and older, may apply for a non-driver photo identification. The non-driver ID is issued solely for the purpose of providing identification and is not a license to drive.

How to get a non-driver identification card

- Complete the front side of a non-driver ID application (BA-207 form)

- Pass the 6 Point ID requirements

- Pay \$24 fee.

Non-driver identification card (disabled)

Any New Jersey resident 14 years of age and older with a disability can apply for a non-driver ID, issued solely for the purpose of providing identification. It is not a license to drive and cannot be used to park in a person(s) with a disability parking space.

How to get one

- Visit your local MVC Agency or call to request an application (BA-207 form) at (609) 292-6500

- Complete front side of the application

- Have a physician complete certification portion

- Pass the 6 Point ID requirements

- Pay \$6 initial photo fee
