Email Subject: <Location> | <Position Applying For> | <Your Name>

An initiative of Aditya Birla Education Trust.

ABEA will be working with Primary year teachers for upskilling them on Foundational Literacy and Numeracy.

Vision and Mission

Aditya Birla Education Academy
Vastu Shilp Annexe, Gamadia Colony, JD Road, Tardeo, Mumbai - 400 007 | +91 22 2352 8400

Vision
To engage with the teacher fraternity in Bihar in the activity of empowering them to nurture the children in a way that the best potential may be derived out of them as an evolutionary process of the best and most suitable locally contextualized teaching pedagogies.

Mission
To create a genre of empowered teachers and to impart them with the right set of skills that would enable them to make all students in their classrooms "NIPUN'.

Postings

Job Title: Program Coordinator

Location: Click here to get the list of locations
Positions available – 3

Overview: We are seeking a highly motivated and experienced Program Coordinator to join our team and oversee the implementation of a Foundational Literacy and Numeracy (FLN) training program for school teachers in rural India. The successful candidate will have a passion for education and a strong commitment to making a difference in the lives of underserved populations.

Key Responsibilities:

- Train facilitators on the FLN content and provide ongoing support
- Collaborate with teachers to create content for the training program
- Liaise with government officials to ensure availability of training materials and physical facilities
- Visit classrooms and conduct teacher observations to monitor the effectiveness of the teaching
- Visit training centres to monitor the effectiveness of the training program
- Develop and maintain project documentation
- Coordinate communication between ABEA team and government officials
- Encourage peer learning and sharing of best practices among training program participants
- Co-facilitate offline training sessions and provide support as needed
- Be present on the field to oversee project implementation

Qualifications:

- Master's degree preferred, with a focus on education or social work
- Minimum of 3 years of experience in project management, preferably in the education sector
- Experience working in rural communities with underserved populations
- Strong communication and interpersonal skills
- Ability to collaborate effectively with diverse groups of people
- Ability to manage multiple tasks and projects simultaneously
- Strong organizational and problem-solving skills
- Proficiency in Microsoft Office and Google suite
- Fluency in English and Hindi required, knowledge of other regional languages is a plus

Job type: Contractual
The successful candidate will have the opportunity to make a significant impact on the lives of school teachers and children in rural India. If you are a highly motivated and passionate individual with a commitment to social justice and educational equity, we encourage you to apply.
