Sheridan Immigrant and Refugee Families and Community

Sheridan School District stands by our immigrant and refugee families and will continue to be a welcoming District. We do not support family separation or the round-up of immigrant families. We believe all people in the U.S., regardless of immigration status, have rights under the U.S. Constitution. We welcome all Sheridan families into our District.

If you have any questions, please contact Christine Muldoon; Director of Culture, Equity and Language at cmuldoon@ssd2.org
