

Title: Random Survey

Name: Cooper Myers

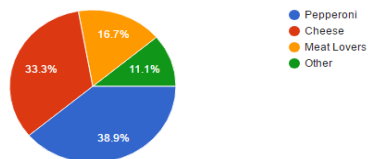

1. I gathered 18 responses and it looks like we have a bunch of freshman and sophomores in this class from the data taken.

When were you born (18 responses)

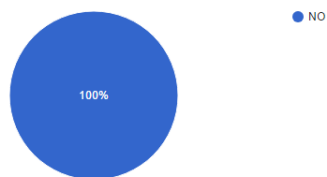

2. I gathered around 18 responses where our class seemed to be very diverse on the type of pizza they enjoy the most. Pepperoni takes the cake by being the popular option.

What is your favorite type of pizza (18 responses)

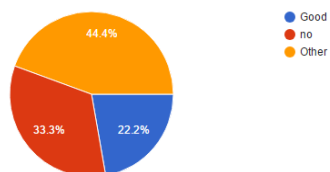

3. 100% of people agreed that pineapple doesn't belong on pizza.

Does Pineapple belong on pizza (14 responses)

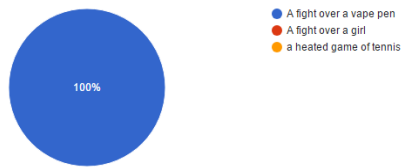

4. The class agreed that the new star wars movies were needed and that they are a good addition to the saga while $\frac{1}{3}$ of people said we don't need anymore movies.

Are the new star wars movies needed (18 responses)

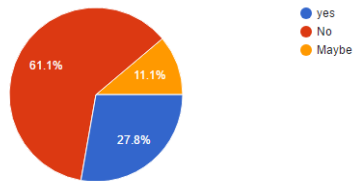

5. 100% of people who took my survey got this question right that bvhs lost tiger paws just because of the freshman and a petty fight over a vape pen.

Why did BVHS lose Tiger Paws (18 responses)

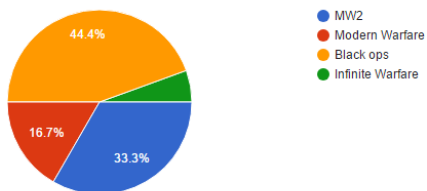

6. The class said that the royals won't win the world series again this year. Which its still early but anything can happen.

Will the royals win the world series again? (18 responses)

7. The best cod game chosen by the students in the class is call of duty black ops which came out in 2010.

Best Cod Game (18 responses)

8. The class again proves that catch me outside girl has no talent and should not even be a thing just because of her time on dr phil.

Is catch me outside girl funny (18 responses)

9. Personally out of all of the options captain crunch is the best cereal in my opinion but the class voted that fruit loops were the best cereal for breakfast.

What is the best breakfast cereal (18 responses)
