Art, Band, Chorus, Computer, Family & Consumer Science, PE, Theater Arts, LLI, MLL

Hello parents! We are so excited to have your child in our related arts/elective classes. Below you will find information on what is going on in your child's class. You will also find contact information. Please feel free to reach out with any questions.

Related Arts News

Art:

8th grade advanced

Students will be moving into photography after the break and also helping out with preparing for our upcoming **Night of the Arts!** Mark your calendars for April 23rd for the show and **Silent Auction!**

8th Grade students are wrapping up with their weavings and will venture into a new medium!

7th grade students are working diligently on their women's history month inspired collages, showcasing a woman that inspires them and symbols surrounding the importance of equality.

6th graders are new and in their final rotation! We started strong getting to know each other and will dive into the elements and principles of design when we return from break and our first printmaking project!

Band:

Be on the lookout for the Sullivan Band Newsletter on Sunday 4/7 via email.

Chorus

Mark your calendars:

Carowinds- April 12th

Night of the Arts- April 23rd

Computer

Greetings! Upon returning from Spring Break, animation students will continue honing their animation skills by animating a bouncing ball.

Graphic arts students will be completing their fonts so that they can use them however they like!

Game design students will be diving into creating game assets like characters, environment, and music.

Computer students will learn the parts of the computer and find parts to "build their own pc."

Family and Consumer Science-

All the buzz is Spring Break! Students are so excited...8th graders are on a field trip in DC and everyone is envious!

6th Graders are completing Step 1 for their pillow project and eager to begin stitching.

7th graders are happy because Thursday is a ½ day!

Happy Easter and Spring Break

LLI-

Multilingual Learners (MLL)

Students in the ML elective class will begin test preparation for the SCReady tests when we return. We wish everyone a restful, relaxing Spring Break.

Mrs. Reynolds and Mr. Guevara

Physical Education/Health

PE:

Our Winter Olympics are well underway. We have our current standings posted in the gym for all grade levels. When we return from break students will compete in the luge, skeleton, bobsled and ice hockey. We have had an exciting competition with countries competing against each other in a speed skating race across the gym on jerseys and a partnered ski jump push on scooters. We can't wait to see our students go all out in the next parts of the Olympics.

Health:

We will continue with our Alcohol, Tobacco, and other Drugs (ATOD) PowerPoint to complete our health standards for the school year.

Floyd, Huechtler, Walker, Whisonant

Theater Arts- There are two new 6th grade groups in the Theatre Classroom this 9 weeks. We have been getting to know one another by participating in some fun activities and games. We will begin learning about Primitive Theatre and Pantomime in the coming weeks. Soon, 7th and 8th grade will begin creating backdrops for their Live Broadway Poster entries. Come see the posters at The WAX MUSEUM during Night of the Arts on April 23.

Upcoming Events

Reminders

-Students should bring a water bottle each day and pencils.

Tutoring: Students may stay after school for tutoring on Tuesday, Wednesday, and Thursday. Please pick up in the car loop by 5:00 PM.
