

Social Media – Facebook and Blog

Facebook

2023 was a good year on Facebook. We now have 893 followers. We are spreading the joy of gardening! The archives for CMGA have been moved to the Extension office. Hoping for another good year of gardening.

Tammy Valdovino

Coconino Master Gardener Association Blog

The audience increased this year. Only minor changes in format with Gardening Etcetera articles added. The blog continues to have an address for registering volunteer and educational hours.
