Lunch Visitor Schedule

Pre-K Kinder. & 3rd may visit on Tuesdays

1st & 5th may visit on Wednesdays

2nd & 4th may visit on Thursdays

Elementary: All lunch visitors must follow established campus check-in and check-out procedures. Visits are limited to the 30-minute lunch period. Due to space and safety concerns, lunch visitors are restricted to parents/guardians, non-school-aged siblings age four and under, and campus mentors. Special circumstances may be addressed/approved by the principal; please see campus-specific procedures in your campus handbook.

During lunch, children work on developing independence and social skills, and this time with their classmates is important. All visitors must sit at the parent table with their student(s). Visitors may not sit at the classroom lunch table with other students. There are no lunch visitors on early dismissal days or closed campus days due to STAAR testing. If there is a school-wide event, we will have to cancel lunch visitors; we will communicate this in advance through our campus eNew.
