

As you may be aware, our teachers usually visit schools around this time to talk to Year 8 girls who may be intending to enrol with us, or want to find out more information about Wellington East Girls' College.

Due to COVID-19 restrictions this visit wasn't able to happen, so we have created online information for 2021 for parents/caregivers. We are also happy to be able to welcome parents/caregivers to our Open Evening on **Wednesday 24 June from 6pm.**

To support this event we have included links here for:

- [online WEGC prospectus 2021](#)
- [online WEGC enrolment information flyer for 2021](#)
- [online WEGC Open Evening flyer for 2021](#)
- and a [school video tour](#) (about 6 mins)

The video tracks our Head Students, Lorna and Sophie, around the school, and our Principal, Gael Ashworth, talks about East. You may also spot a previous EBIS student, Hannah Clark, who is one of our Tuakana Prefects. Students from Year 9 and Year 13 also talk about how they transitioned to secondary school and why they chose WEGC.

Any enrolment queries can be directed to Alison Hogg, Administration Assistant on enrolments@wegc.school.nz or 385 8514.
