

ACTION #4:	H.R. 722: A National Abortion Ban
EST. Time to Complete:	5 minutes
Description:	<i>Anti-abortion politicians want to impose a nationwide abortion ban. H.R. 722, introduced by Rep. Eric Burlison (R-MO), would apply the 14th Amendment’s “equal protection” clause to “unborn persons,” granting legal rights to fertilized eggs, embryos, and fetuses—effectively banning abortion nationwide, even in states where voters have chosen to protect it.</i>
