

I am seeking your support for the Guild Regional Executive Officer for the BC/Yukon Region. I serve as an executive member for the BC/Yukon Region and the Vancouver CRA Branch, where I have had the privilege of being involved in member engagement events, training committee, organization of Regional and Steward councils and review and revision of PIPSC bylaws.

I am a proud member of PIPSC and have continued my involvement and membership in PIPSC after retirement.

My career has included roles such as being a steward and subgroup executive, where I was responsible for representing members, resolving contentious issues between members and management and participating in Union-Management Relations. I volunteered on the OHS committee, organized Lunch n' Learn events and was subgroup treasurer and secretary. As a former CRA auditor, I am detailed oriented, analytical, fiscally responsible and always strive for improvement.

- Steward 2002 – 2023
- Vancouver Subgroup executive 2004 - 2017
- Burnaby Subgroup executive 2017 – 2023
- Vancouver CRA Branch executive 2019 – current
- BC/Yukon Regional executive 2022 - 2025

As a recent retiree, I engage regular members nearing retirement since I am in contact with regular members through the Vancouver CRA Branch and the BC/Yukon Region.

If elected, my goals are improving pension benefits, member engagement and communications and addressing retired members' current needs, issues and wants. I will attend Chapter events, maintain good communication, listen and address members' needs and provide timely reports. I look forward to meet the local Chapters and to bring their successes and concerns to the Guild executive.

I am excited about the opportunity to serve on the Guild and to work together in the current challenging political environment. Thank you for your time and consideration.
