

SUPERINTENDENT'S EDUCATION UPDATE

May 10, 2024

2023-2024 School Year

Teaching & Learning

On April 24th, Randolph Public Schools (RPS) had an early release day and all educators attended professional development sessions led by colleagues!

We had some fantastic sessions on Project Based Learning, Abolitionist Teaching, Strong Instructional Practices, Mathematics Instruction, Autism, Family Engagement, Queer Identities, Canva, Supporting Multilingual Learners, ABA, and much more!

Here's what RPS Educators said about the professional development session they attended:

"We need to get out of our silos. There are great ideas and strategies in the building that should be implemented and bold steps should be taken."

"I was very engaged and my time was used meaningfully."

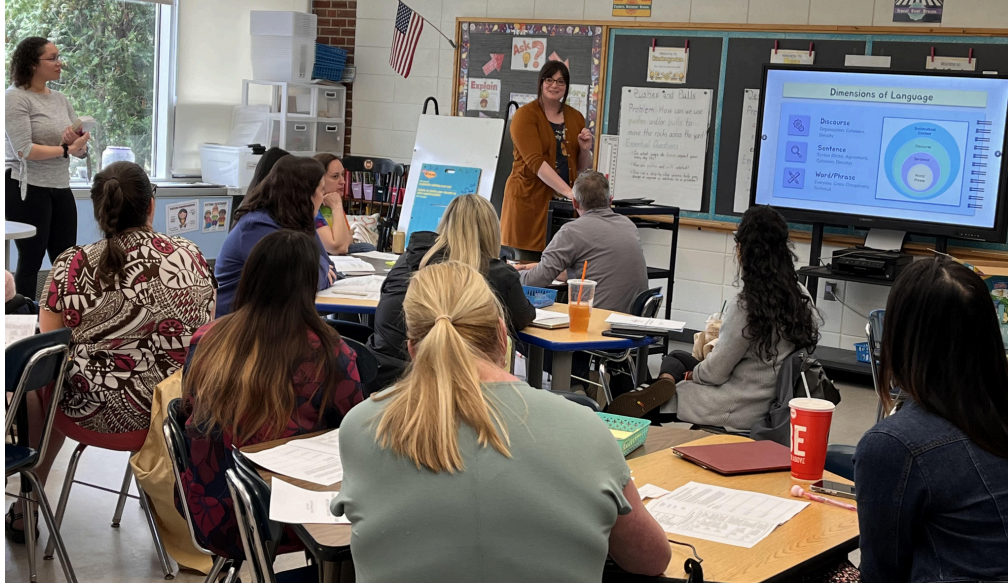

"I came away with so much useful information that helps me understand some of my students better and with ideas of things I can try to help them."

"This was hands down the best PD I've attended. I learned so much and came away with such a better understanding and my colleagues expressed the same feelings. I was interested in several of the sessions and it was hard to pick just one. I would love to have a future opportunity to attend some of the other sessions that were offered. Thank you to the PD Team for putting this together."

"I LOVED this PD session!"

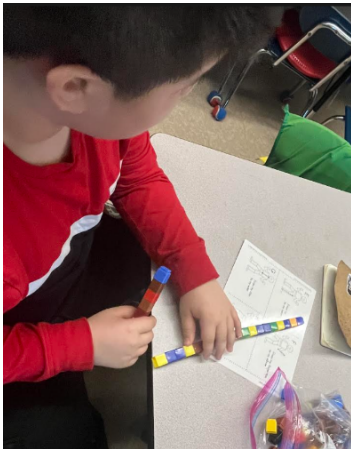

Pictured below: Participants in the professional learning session: "It's Complicated: Breaking the Academic Language Code with Mentor Sentences" led by Kait Zanzerkia and Melissa Martinez.

Math Department

Spring Break Math Academy

RPS hosted Spring Break Math Academy over April vacation. Over 140 students attended and participated in engaging hands-on activities both inside and outside of the classrooms.

ST Math March MATHness Competition

During March and April, K - 5 students participated in an ST Math March MATHness competition. Teams of classrooms competed in solving ST Math puzzles and problem-solving. Across the district, we are proud of all the students' accomplishments!

Congratulations to each of the school winners:

Donovan: Ms. Dugas and Ms. Frattasio

JFK: Ms. Allar and Ms. Farrell

Young: Ms. Horgan HR and Ms. Letourneau

Lyons: Mr. Witts

Congratulations to the District Winner:

Mr. Witts
Lyons 4th Grade
District ST Math March MATHness Winner!

Science, Technology, & Engineering Department

All Randolph schools hosted eclipse events on April 8th to engage students in this rare solar event!

Randolph High School, Donovan Elementary School, JFK Elementary School, Lyons Elementary School, and Young Elementary School have been recognized as 2023-24 Project Lead The Way (PLTW) Distinguished Schools. PLTW is a national nonprofit organization that serves millions of PreK-12 students and teachers in over 12,200 schools across the U.S, aiming to make every student in every grade STEM successful.

The PLTW Distinguished School recognition honors schools committed to increasing student access, engagement, and achievement in their PLTW programs. To be eligible for the designation, schools had to meet multiple criteria in the 2022-23 school year such as the number of PLTW courses available to students, percent of students enrolled in PLTW, percentage of students taking more than one PLTW course, and efforts to ensure equitable access to PLTW courses.

PLTW programs prepare today's students for the careers of tomorrow, by not only incorporating STEM skills into their learning but building students' collaboration, teamwork and communication skills so they can be ready for whatever path they take.

School Update

Donovan Elementary School (Donovan School)

April was a busy month at the Donovan School. Students are working hard on MCAS to demonstrate all they have learned this year. A big thank you goes to our amazing food services staff for providing a hot breakfast for students on MCAS days!

Pictured Below: Our Fifth graders went on a field trip to the Massachusetts Audubon Bird Museum!

Pictured Below: Fourth graders spent the day at Franklin Park Zoo!

Pictured Below: Mrs. Venisky's Kindergarten class invited families in to share their animal research projects!

Pictured Below: We celebrated our ST Math March Champions during lunch with Luna! (Playing with and petting Luna came AFTER we ate!)

We are looking forward to many field trips and fun events for our students in May, including PTO's Book Fair and a Japanese Drum Presentation!

John F. Kennedy School (JFK School)

Fourth graders entered the ST banner contest entries. How do you think our students did?

Pictured Below: The JFK first graders learned about fire safety from our local fire department.

Pictured Below: See our students in Kindergarten enjoying their Joy Hour. They were able to wear their pajamas and were able to enjoy various centers in the classrooms. They are also listening to the instructions.

We held our Fun Run and it was amazing! The students had a great time and we raised \$9,700 just \$300 short of our goal of \$10,000. Next month our Principal, Dr. Hackett will be turned into a human sundae!!

Ms. Allar and Ms. Farrell's students were the JFK ST Math champions.

Our Students experienced the solar eclipse, a once-in-a-lifetime opportunity.

Lyons Elementary School (Lyons School)

Family Breakfast

Our multi-language teachers hosted a breakfast for families this month. The purpose was for families to make connections in the community with one another and ask questions about navigating the school system to staff that attended.

Fourth grade is this month's featured grade!

This month 4th graders completed their unit on the American Revolution. For their final project students created a persuasive broadside to convince potential readers to support the Patriot, Loyalist, or Quaker cause. These three viewpoints represented the colonist, British, and neutral perspectives. Students were allowed to choose a side they felt passionate about. From here each student worked through the outlining, drafting, editing, and revising stages of the writing process. To celebrate the publication of these amazing historical products each group voted for the most persuasive broadside for each perspective. The three finalists then presented to both classes! The project provided students with an excellent opportunity to display their understanding of the content through an engaging and creative process.

Young Elementary School (Young School)

We have been enjoying the homestretch of the school year! We are very grateful to our PTO for inviting crazy critters to come and visit with our kindergarten through grade 2 students. It was a great way to connect the learning they have been doing in their classrooms and in science with real live animals. PTO also hosted our spring book fair.

We had a lovely family night with an ice cream truck and outdoor lawn games. We had terrific sales! We appreciate our Young School community for their support.

Big congratulations to Miss Letourneau and Miss Horgan's classrooms for their success with the ST math challenge!

There are lots of field trips coming up. Kindergarten is headed to the Blue Hills trailside museum. Grade one is off to the zoo. Grade 2 is also going to the zoo. Grade 3 will be going to the museum of science and grade five will celebrate the end of their elementary career with a nice morning at Xtreme Craze doing some laser tag.

While we are enjoying lots of fun we continue to work hard. Students are engaged in all sorts of projects and hands on work and finishing up novel studies.

It has been a wonderful year and we have had a lot of fun while learning!

Big Events:

Literacy Day - May 24

Field Day - June 6

Touch a Truck - June 7

Grade 5 Moving On - June 10

Grade 1 with open number lines

Staff breakfast

Crazy Critters

ST Math Champions!

Book Fair Family Night

Randolph Community Middle School (RCMS)

SCIENCE SHOWCASE

Open House
Come see our students showcase their understanding of science phenomena.

When: May 22 2024, 1:30 - 2:30 pm
Where: RCMS library
Who: Parents/ Guardians of presenting students, staff of the building, peers/ classes who would like to sign up to visit the showcase
What to expect: Gallery Style Presentations in an Open Setting

Parents and Guardians please enter through the library door on the side of the building (Door 15)
Teachers and Staff may come and bring their classes down. Please use shared google doc to sign up for a time.

QUESTIONS?
SACCOCCIOA@RANDOLPH.K12.MA.US

REIMAGINING CIVIC EDUCATION

in support of constitutional democracy

Civics Project Showcase

When: **Monday, May 20** from 3 - 4:30 pm

Where: RCMS Cafeteria

Who's invited?: All RCMS Families, students, alumni, and community members!

Please join us on **Monday, May 20th** from **3:00 pm - 4:30 pm** in the **RCMS Cafeteria** for our second annual RCMS Civics Project Showcase! Eighth grade students enrolled in Civics will present their Student-Led Civics Projects to the community through a "science-fair"-style presentation. The Student-Led Civics Project is the "capstone" experience for our 8th grade Civics curriculum, in which students apply the civics skills and knowledge they have gained during the year to identify an issue in their school, town, state, or national community which concerns them and, through research, propose solutions to solve the problem.

You can expect to see some of the following topics represented at this year's showcase:

Lack of youth sports in Randolph

Consumerism and overconsumption

The impact of borderline personality disorder on personal relationships

Improving RCMS fields

Immigration and Barriers

Education on child abductions

Autism awareness in the classroom

Teen depression and suicide

Bullying at RCMS

We look forward to seeing you there!

♪♪♪♪♪ Music News ♪♪♪♪♪

- **The RCMS End-of-Year Concert is May 22nd.** This concert will take place at the Randolph High School Auditorium instead of the middle school as the High School's performance space has *much* better acoustics. Exact call times will be sent home closer to the event. The dress code for the concert will be white tops and black bottoms. No jeans and sneakers, please.

- **The All Band Concert is Tuesday, June 4th** here at the RCMS Gymnasium. A rehearsal for all performers will be held at 4:00 pm, prior to the concert's start at 6:30 pm. The dress code for that performance will be black bottoms (pants, shorts, skirt) and RPS music t-shirt that will be provided to all students on June 4th.

BAA Relay Challenge

The RCMS track team finished in 4th place at the BAA Relay Challenge in Boston on April 14th. Congrats to the runners and coaches!

MWRA Poster Contest

Congratulations to Cindy Huynh, a Second Place Winner in the MWRA Poster Contest. Cindy is invited to attend the Awards Ceremony at the Deer Island facility in Winthrop.

OpenSciEd Winners: Student Industry Connect program

Industry professionals have selected Kayden Cabral, Evan Vu, and Riley Durham as OpenSciEd winners for the exceptional project they submitted to the One8 Applied Learning Hub's Student Industry Connect program!

Here's what one volunteer said: *"All three of your design features are very clearly described, including the role each feature plays in maintaining the temperature of the drink inside. I also really like the way you balanced the performance of the material with the cost, as illustrated by your choice to use an air-insulated double walled construction instead of a higher cost vacuum insulation approach."*

In recognition of their achievement, they received a printed certificate, rocket books, and a banner to display their much deserved bragging rights in Ms. Odom's classroom.

One8 was thrilled to recognize these students for this achievement and RCMS is so proud of them!

Congratulations Kayden, Evan, Riley and Ms. Odom!

Medical Detectives

In Mrs. Cardillo's PLTW Medical Detectives Class, Activity 2.5 lesson introduces students to the human body as a collection of systems. Students perform a sheep brain dissection to use their knowledge to explore, analyze evidence, and identify the cause of Central Nervous System (CNS) and Peripheral Nervous System (PNS) dysfunction. For example, students identified tumors or other neurological disorders inside the brain by justification of evidence to correlate with a patient case for real world experience. Students created educational resources to assist their patient and the community for understanding of the medical condition caused by the dysfunction.

RCMS is partnered with the One8 Foundation's Applied Learning Leadership Initiative. Applied Learning programs inspire students with innovative and engaging ways to approach academics. Recently One8 spent a day at RCMS filming teaching and learning in action.

We hope you enjoy these pictures and the video. To view the video, copy and paste the link below.

<https://app.frame.io/reviews/194e4flb-eel6-4cf6-a227-da651c86482b/8e4b534a-20f8-4da2-b2b2-af72c9d48103>

eCYBERMISSION is pleased to announce the winners for this year's competition! Over 1,700 teams submitted Mission Folders this year. The top three teams per state in each grade were selected as 1st place, 2nd place, and Honorable Mention.

Congratulations to Mrs. Cardillo and the 8th Grade State Winners:

- 1st Place: Cleanily Weenily - Dumplin Demons: Trish Nguyen and Cillian Bravo
- 2nd Place: HBLSE: Hayley Chen and Bethel Nazaire
- Honorable Mention: RICE-RCMS: Yassine Azoui, Randy Nguyen, Trinh Le, Jaiden Avila

Solar Eclipse Viewing Event for students, staff and families

On April 8th, students, families, and staff viewed the solar eclipse. RCMS supplied Solar Eclipse glasses to see this unique and rare event that took place during dismissal time.

Randolph High School (RHS)

High School Musical comes to RHS! - May 10th (7:00 pm) & May 11th (2:00 pm and 7:00 pm)

The RHS Drama Club will be presenting *High School Musical* on Friday, May 10th at 7 pm and Saturday, May 11th at 2 pm and 7 pm. Tickets are \$10 for adults and \$7 for students. T-shirts and concessions will also be sold. Come on down to the RHS Auditorium for a full filled night! GO WILDCATS!

RHS Learning Showcase - May 16th

Please join us at the annual Learning Showcase on Thursday, May 16th. RHS families and other community members are encouraged to come and see the great work that students have been engaged in over the year. We also strongly encourage RCMS families to join and see what RHS is all about. There will be student work on display as well as student performances during the evening. Dinner will be served as well.

National Honors Society Updates

On Wednesday, April 10th, the National Honor Society inducted 27 new members to the Joseph W. Daly Chapter. The new inductees have proven themselves to be role models upholding the four pillars of the National Honor Society: service, leadership, scholarship and character.

From the Class of 2025, we are pleased to welcome Fionie Alexis, Joshua Ching, Daniel Dang, Owen Dang, Matthew Tuan Do, Jordens Donarus, Kejnie Donarus, Lucas Duarte, Benjamin Ho, Hailey Hoang, Sofia Nguyen, Tomson Nguyen, Shirley Osho, Christopher Ricelin, AnDinh Tran, Sophia Truong and Mai Vu.

From the Class of 2026, we are pleased to welcome Jennifer Akonkem, Tram Chu, Kelley Huynh, Trinh Huynh, Nathan Komtangi, Tanya Le, Madison Mathes, Vivian Nguyen, Shayla Phan, Jassia Ramos Enriquez, and Esther Tijani.

The National Honor Society would also like to congratulate RHS math teacher, Mr. Burke, for being this year's Honorary Member! Mr. Burke was chosen by the National Honor Society due to his ability to create a welcoming classroom environment, holding high expectations and providing honest feedback to his students.

We also wish a sweet farewell to our 10 graduating seniors who will be greatly missed but we look forward to hearing about their great accomplishments: Maryam Barry, Tina Cao, Lily Dinh, Francia Duplessys, Yasmine Elkhamlichi, Nayah Idama-Ogagan, Angel Le, Nathan Scott and Ava Tagen.

RHS Athletics Updates

Spring Sports are underway! This spring has been off to a great start for our RHS athletics. Boys Volleyball and Girls Tennis are currently on pace to make the playoffs due to some hard fought wins in the south shore league. Boys Track and Field netted its first league win over rival Rockland 70-40 last week and is preparing a run at the state level.

Blue Devil Academy: Please join us June 17th - 20th for our annual Youth Football Camp for students entering grades 3-8. Registration is available at:

<https://students.arbitersports.com/randolph-schools/blue-devil-academy> .

Camp is from 9-1 with drop off starting at 8:30. All participants will receive coaching from RHS football coaches and players, a camp t-shirt, lunch and daily 7 on 7 games. Register before May 15th for \$80.00, after May 15th \$100.00 per camper.

Girls Basketball Camp: Sign up today for our first girls youth basketball camp June 17th-19th. The Girls Basketball Camp will be held at Randolph High School for grades 6-12. The camp will include skills training, games, guest speakers, and prizes.

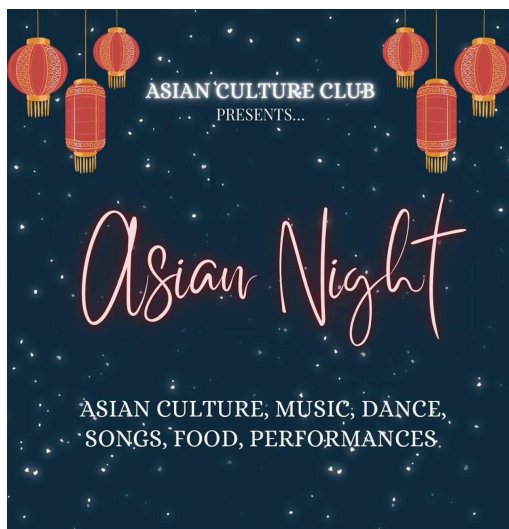

June 17th-19th 9:00am-3:30pm Register here:

<https://students.arbitersports.com/randolph-schools/girls-basketball-camp>

Asian Night at RHS

The annual Asian Night sponsored by the Asian Cultural Club (A.C.C.) on May 3rd was a huge success. Asian Night is held in May in celebration of Asian & Pacific Islander Month.

This event is A.C.C.'s biggest and most exciting fundraising event of the year! Our students showcased Asian culture through music, dance, and other special performances. We also featured a Q&A with special guest Sarah Chu, 2023 Miss Chinese Boston and RHS Alum!

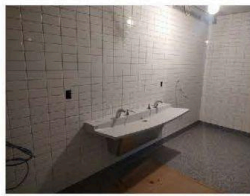

Community Update on the New Elementary School

Work continues and is going well and on schedule at the new elementary school. National grid did a pole hold on Old Street so conduits could be installed at the base of the new pole. Sidewalk formwork continued at Old Street. Doors and frames were installed. Painting continued on the hard ceilings and steel got painted in the gymnasium. Sprinkler heads that were in conflict with the lighting in the gymnasium were changed. Doors and hardware were installed on levels 1 and 2, sections A and B.

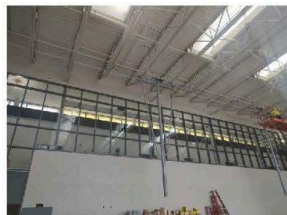

Above: Sidewalks are getting poured.

Above: Toilet room 116A level 1.

Above: PK 3 RM 103

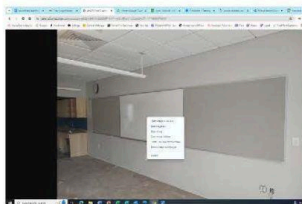

Above: Installing the basketball hoops in the gym.

Above: Installed disconnects on VRF units on section B Roof.

Above: Installed a screen over the return air duct at the stage area.

Above: White boards and bulletin boards are being hung in the classrooms.

Above: Installed four 4" conduits for internet and communications.

Above: Door installation in vestibule v101 main entrance.

May 2024

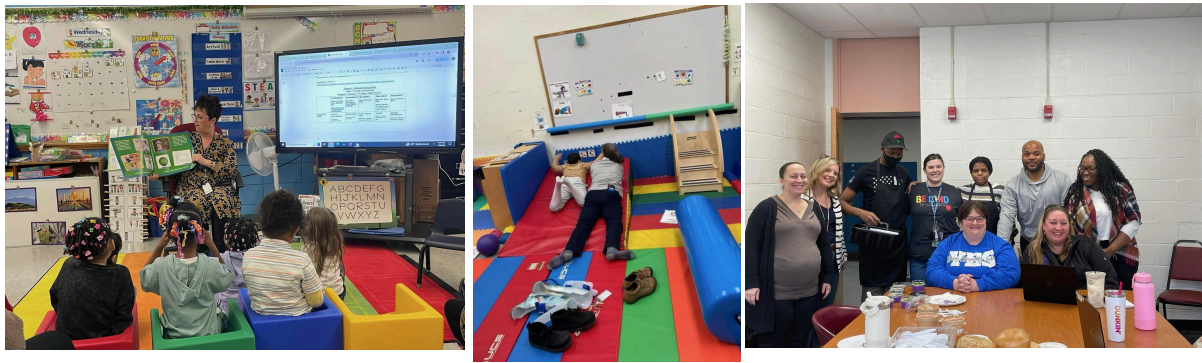

Special Education and Student Services

Dear Families,

- SPECIAL EDUCATION and STUDENT SERVICES UPDATES:

Special Education and Student Services has had a lot of fun happening this past month and have fun to look forward to in the coming month!

From left to right: Students in Pre-K enjoy a read aloud from Mrs. Bristow about living and nonliving things, a student is engaged in a Physical Therapy session with Ms. Hoffman, and students from the transition program sell treats to special education leaders in the district. The students from this program have taken their goods to sell on the road and at other Randolph Public Schools.

Looking ahead:

May is staff appreciation time!

May 6 - May 10 was teacher appreciation week. Let's continue to appreciate all teachers and staff! Ms. Garvey from the Lyons created a calming space for students to go to if they need to take that time.

May 6 - May 12 is Nurse appreciation!

Let's appreciate all of our nursing staff at RPS!

Ms. Heather Lemoine over at JFK takes great care of the students! And our Nurses are always collaborating and supporting each other.

- Social Emotional Learning and Mental Health Information

For Mental Health Awareness Month, we have an opportunity to break the stigma around mental health in our campus by talking openly, compassionately, and kindly to each other. No one should ever struggle alone.

School staff are the backbone of student well-being, but remember that you also can't pour from an empty cup.

During Mental Health Awareness Month, NAMI joins the mental health community to reaffirm our commitment to building our understanding of mental illness, increasing access to treatment and ensuring those who are struggling know they are not alone.

If you or someone you know wants to be connected to a mental health care provider, contact Care Solace, a complimentary and confidential mental health care coordination service provided by Randolph Public Schools:

Call **888-515-0595**. Multilingual support is available 24/7/365.

Visit **www.caresolace.com/randolph** and either search on your own OR click "Book Appointment" for assistance by video chat, email, or phone.

Don't hesitate to ask for help, use the resources around you, and never give up hope.

- **PRE-K NEWS!**

PreK had a BLAST at the JFK Fun Run to help raise money. All students were provided with JFK shirts to show Jaguar pride and decorated a classroom flag. Go PreK!

- **MULTILINGUAL LEARNERS UPDATES:**

Adult ESL: We will be hosting one more session of adult ESL courses. Look for information to come soon!

Pictured Below: Level one Parent ESL Class celebrating their completion of the course!

The Lyons Elementary School hosted a multilingual family breakfast.

- FAMILY ENGAGEMENT UPDATE:

**RANDOLPH
MULTILINGUAL
PARENT
CONFERENCE**

Join other parents in a night of learning.

- ✓ Learn how to contribute to your children's education
- ✓ Learn about mental health issues
- ✓ Choice of Presentation: RPS Technology, Cyber Safety or Parents' Rights & Responsibilities
- ✓ Information tables for parents from different organizations

**THURSDAY
23
MAY
5 - 7:30PM**

**Randolph High School
70 Memorial Pkwy**

**Food!
Music!
Childcare!**

 **Randolph Public Schools**  **Codman Square
Health Center**

Randolph is hosting its first **Multilingual Parent Conference** on May 23 from 5-7:30pm at Randolph High School.

Join other parents in a night of learning:

- Learn how to contribute to your children's education
- Learn about mental health issues

- **REGISTRATION UPDATE:**

Randolph Public Schools is now migrating to the **PowerSchool Enrollment Express registration process for all grade levels starting June 1st!** Below you will find the registration process for Grades 1-12+. For more information about our entire registration, visit [our website](#).

REGISTRATION PROCESS

Grades 1-12+

TO START YOUR REGISTRATION PLEASE [VISIT OUR WEBSITE](#)

For your convenience, all registration can be done online! If you prefer to register in person, please [click here](#) for an appointment.

If you need immunization, contact Codman Square at 781-807-1771.
Registration Process Details

STEP 1: Click on the Pre-Registration link below to get started!

Pre-Registration Form

******Make sure your email address is entered correctly.******

NEXT STEPS

STEP 2: Check your email one to two business days after you complete the Pre-Registration form.

Once your Pre-Registration form has been reviewed and cleared, you will receive an email with instructions on how to continue your registration with your PowerSchool Parent Portal account.

Please note: Your pre-registration form will be reviewed by our Registration Team. It may take up to two business days to receive an email with next steps. Please do not submit multiple pre-registration forms.

***ALL REQUIRED DOCUMENTS MUST BE PROVIDED FOR
THE REGISTRATION TO PROCEED***

STEP 3: Gather the required documents. For a list of necessary documents, click on this link [RPS Required Registration Documents](#).

STEP 4: Log into your PowerSchool Parent Portal Account
Browser: <https://rps.powerschool.com>

*****Recommended*****

For better efficiency and accessibility features, Use the PowerSchool Phone App: [Randolph PowerSchool App Link](#)

Information to access the account is located in the email you will receive once your pre-registration form is approved by the RPS Registration Office.

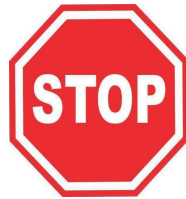

STEP 5: Complete the e-Forms. In PowerSchool Parent Portal, click “Forms” on the left-hand menu navigation. Complete the forms and upload documents for each student, on forms that request documents [Required Documents](#)

Complete the following Registration eForms:

- | | |
|-------------------------|--|
| A. Student Demographics | E. Home Language Survey |
| B. Student Contacts | F. Student Services History |
| C. Address Verification | G. Previous Enrollment and Records Release |
| D. Health Information | |

If you need immunization, please contact Codman Square at 781-807-1771.

AFTER THAT, WHAT'S NEXT? Once your registration forms have been submitted and documents have been uploaded, it will be reviewed by the RPS Registrar's Office.

1. **IF APPROVED** - you will receive a confirmation of approval via email. School assignments will be shared by late summer or earlier.
2. **IF NOT APPROVED** - you will receive an email with additional directions.

Note: Your student will not be enrolled in a school if you have an incomplete registration. You must complete all registration forms and provide required documentation.

Please contact the RPS Registrar's Office if you have any questions.

Email: registrationoffice@randolph.k12.ma.us

- **DEIB UPDATE:**

In April, our district leadership team continued its monthly sessions with SEED (Seeking Educational Equity and Diversity). We engaged in a powerful protocol to recognize the many ways and places that privilege exists.

- **CODMAN SQUARE at RANDOLPH HIGH SCHOOL UPDATES**

We are excited to announce several new initiatives aimed at promoting health and wellness among our students:

- **New Arrival Funding:** Codman is set to receive \$105,000 through our collaboration with the Brookline Center and the Massachusetts Department of Public Health to assist new arrivals with their basic needs. We will collaborate with Alpha Sanford, Director of Special Education and Student Services, to identify families in need of support.
- **Bi-weekly Vaccine Clinic:** We have launched a bi-weekly vaccine clinic to ensure that students have access to the required vaccines.
- **Youth Health Advisory Council:** We have established a Youth Health Advisory Council comprising fifteen Randolph High School students who will serve as Youth Health Ambassadors. This program aims to empower students, develop leadership and advocacy skills, and address health care topics relevant to them and their peers. The council will also act as change agents within the community.
- **Logo Design Initiative:** Eighteen students submitted logo designs for the Youth Health Advisory Council, with **An Nguyen's** design being selected by the Youth Health Ambassadors. An will receive a \$500 stipend for her design, which will be featured on apparel for the Ambassadors.
- **Grant Funding:**
In partnership with the Institute for Health Equity Research, Evaluation, and Policy, a subsidiary of the Massachusetts League of Community Health Center, Mandela Yoga, and Brockton Neighborhood Health Center, we have secured funding from Harvard University's Legacy of Slavery Reparative Partnership Grant. This funding will support internships for four Randolph High School students and the establishment of a Yoga Program for students. Yoga has been shown to aid in adolescent development, enhance well-being, and alleviate stress.

In collaboration with the Mass League of Community Health Centers and the Massachusetts Department of Public Health, we received funding to support the Youth Health Advisory Council and to pilot a Health Career Pathway Pilot Program. This program is designed to inspire, educate, and

prepare students for a future in the healthcare industry, with a focus on community health centers.

- **Launched a Pharmacy Tech Training Program:** Eight Randolph High School seniors are participating in our Pharmacy Tech Training Program, which includes certification and assistance with resume development and job applications upon completion.
- **Upcoming Healthcare Training Opportunities:**
Also, we are pleased to offer the following training programs free of charge for Randolph High School students:
 - CPR Training
 - Pharmacy Technical Training Program
 - Medical Administration - Patient Access Training Program
 - Phlebotomy Tech Training Program
 - Certified Nursing Assistant
 - IT Support Specialist Training Program
- **Internships:**
 - **Senior Internships:** Four Randolph High School seniors are completing their senior internships at Codman Square Health Center, and two students have been selected to participate in Codman's summer internship program.
 - **Boston Area Health Education Center Summer Internship (BAHEC):** One Randolph High School student has been selected to participate in the BAHEC summer internship Program.
- **Student Workshops:**
 - **Sexual Health Workshop:** We piloted a sexual health workshop with the Youth Health Ambassadors and received positive feedback. We are now working with Assistant Principal Martinez to launch this workshop initiative with ninth and tenth graders using the Rights, Respect, and Responsibility (3Rs) curriculum.

- **Teen Mental Health First Aid Training:** Twenty-seven students participated in Teen Mental Health First Aid training and received certification.
- **Financial Literacy:** Thirteen students participated in a financial literacy training program.
- **Reminder:**
 - **Eye Can See Program at Eye Care Etc.** (9 Warren Street) a Codman affiliated practice Provides glasses free of charge for students. To find out if you qualify, please contact 781-807-1771. Participants in the Eye Can See program can have a community health worker assist with making a full eye exam appointment for your child or family.

Sincerely,

Alpha Sanford, M.Ed CAGS,

Director of Special Education and Student Services

Bridle Path Fire Donations

☀ Update: Gift Card Donations & Online Fundraising ☀

We're deeply grateful for the outpouring of support from our community during this challenging time. As we continue to assist those affected by the recent fire at Bridle Path Apartments, we want to announce that we are still accepting gift card donations.

Additionally, we're excited to share that our online fundraising platform is now up and running, thanks to the incredible support from the Friendly Food Pantry. Your generosity and collaboration empower us to provide vital assistance to our neighbors in need.

To contribute or learn more, please visit

<https://www.gofundme.com/f/RandolphFireRecovery>

Together, we can make a difference and offer hope in times of adversity. Thank you for your ongoing support and compassion.

THE TOWN OF RANDOLPH IS COLLECTING DONATIONS

The donations will be distributed to families who have been displaced by the Bridle Path Apartments Fire in Randolph. Gift Cards as well as monetary donations via our online platform are being accepted.

ONLINE DONATIONS

The Friendly Food Pantry in Partnership with the Town of Randolph is accepting monetary donations
www.gofundme.com/f/RandolphFireRecovery

WHERE YOU CAN DONATE GIFT CARDS

TOWN HALL, 41 S. MAIN ST.
RICC, 128 PLEASANT ST
LIBRARY, 2 N. MAIN ST.

WHAT YOU CAN DONATE

At this time, donations of food, clothing, and essentials are being coordinated through service agencies, and the most helpful contribution for affected residents is gift cards or monetary contributions. We accept gift cards, regardless of the sum to area grocery stores, restaurants, pharmacies, clothing stores, VISA cards, etc. The Friendly Food Pantry is utilizing GoFundMe for our online fundraising platform.

Questions or larger coordination efforts contact Liz at
elarosee@randolph-ma.gov
