

Title: "The Nightmare of the Dental Plan"

Tagline: "Insurance coverage has never been so terrifying"

Key Characters:

- Sarah, the protagonist, a dental insurance coordinator who is struggling with her job and her own personal demons
- David, Sarah's boss, who is demanding and unsympathetic to her struggles
- Rachel, Sarah's best friend, who tries to help her cope with the stresses of her job
- The ghost of a dental patient, who haunts Sarah and reveals dark secrets about the dental practice

Protagonist's Dark Past:

Sarah has always struggled with anxiety and depression, and her job as a dental insurance coordinator has only made things worse. She is constantly dealing with difficult patients and insurance companies, and her boss is demanding and unsympathetic to her struggles. She is struggling to keep up with the demands of her job, and her mental health is suffering as a result.

Plot Twist:

As Sarah's mental health deteriorates, she begins to have visions of a ghostly dental patient who haunts her. The ghost reveals dark secrets about the dental practice, including illegal billing practices and neglect of patients. Sarah is horrified by these revelations and begins to investigate, but her boss and coworkers are determined to cover up the truth.

Plot Synopsis:

Sarah is a dental insurance coordinator who is struggling with her job and her own personal demons. She is constantly dealing with difficult patients and insurance companies, and her boss is demanding and unsympathetic to her struggles. As her mental health deteriorates, she begins to have visions of a ghostly dental patient who haunts her. The ghost reveals dark secrets about the dental practice, including illegal billing practices and neglect of patients. Sarah is horrified by these revelations and begins to investigate, but her boss and coworkers are determined to cover up the truth.

Key Locations:

- Sarah's office, where she works as a dental insurance coordinator and where she is haunted by the ghost of a dental patient
- The dental practice, where Sarah uncovers the illegal and unethical practices of her boss and coworkers
- Sarah's apartment, where she lives alone and struggles with her mental health
- A local bar, where Sarah and her friend Rachel often go to unwind and where Sarah's obsession with the ghost and the dental practice begins to take over her life.
