

Travel the World from your Couch!

Tic-Tac-Toe Choice Menu

Directions: *Tic-tac-toe--you pick three in a row. How many can you complete over the summer?*

<p>1 Virtual Field Trip: Let's learn about landforms around the world! Explore different landforms around the world through 360 videos, images, and fun books! Then, draw some pictures of different landforms after learning more about them. Join Nearpod with code: ZSNYB</p>	<p>2 Map My Products: Take an inventory of your kitchen cupboards and note where each product was made. Use a blank outline map of the world to mark the country in which each product originated. Do most of the products come from the same region? If so, why do you think that is true? Which products came from farthest away?</p>	<p>3 Picture Collage: Where in the world do you want to go? Go to Pics4Learning website and choose a country you would like to explore. Print off the pictures or put them in a Google Doc as a collage. Add words or phrases to describe the place.</p>
<p>4 Let's go camping!: Read this book with someone or by yourself! You can click on the icon to read it to you. Then, draw a picture of what activity you would like to do if you could go camping.</p>	<p>5 Neighborhood Safari: Go on a safari around your neighborhood with your family. As you explore, see how many things you can spot! Click here to print out the safari cards you can use to practice your observation skills.</p>	<p>6 PebbleGo: Log in to PebbleGo and read about the different continents in the world. Choose two different continents. How are they similar and different? What do you think life would be like living on these continents?</p>
<p>7 Touchable Earth: Start learning about different places in the world from other kids around the world! Click here and choose a place you want to learn about. Watch the videos and look at the maps to learn about what life is like for kids around the world. How is your life similar to or different from these kids?</p>	<p>8 PebbleGo and Maps: Log in to PebbleGo and read about the different types of maps. Choose two different types of maps to read about. How are they similar and different? How would you use each of the maps? Talk with an adult about how you could use each of these maps.</p>	<p>9 Read a book: Go to Storyline Online and listen to the book, The Empty Pot. It is a story about a Chinese emperor. Look at a map of the world. Find China on the map, which is where this story takes place. Tell someone about what you learned about China from this story.</p>
