Best wishes to the promoting Class of 2025! It has been my pleasure serving as your principal during your time at MacArthur. I know you will do great things in high school and beyond.

We're especially excited to welcome our incoming sixth graders and can't wait to see them learn and grow over the next three years.

Please stay safe and take care of one another. With everything going on in our community, it's more important than ever that we continue to support each other.

Thank you again for a great year. We're already looking forward to welcoming you back and starting another exciting year together.

Sincerely,

Ray A. Gonzales
