## **Housekeeping**

- We here at The MBS Show love playing games and we would really like to help in a charity event.

So how could we do so? Well, as of November 2nd most of The MBS Show crew will be participating in Extra-Life 2013 a 25 hours gaming marathon to raise money for the Childrens Miracle Network.

What to expect during that 25 hours gaming marathon? Well expect to be part of the Live Stream with Norman Sanzo, you can even join him in a game and possibly see him rage at a game! Interact with guest during the Live Stream and get your questions answered.

We would appreciate it if you could donate to our team, together we can help kids and kick cancer's buttocks!!!

### **Ponies On Another Marvel Comic**

- <http://www.equestriadaily.com/2013/09/the-superior-foes-of-spider-man.html>
- It seems that ponies have invaded Marvel Comics once again and this time it's in The Superior Foes of Spider Man comic #4 cover variant.

The same artist (Gurihiru) that did the Deadpool comic variant cover has done another pony cover, not much is known about how to get this variant cover.

### **Answer To The Mystery Of Applejack's Hat**

- <http://www.equestriadaily.com/2013/09/hot-minute-applejack.html>
- In the recent "Hot Minute" featuring Applejack by Hot Topic, they've asked various questions to the apple farmer. Questions from "Favorite Apple Dessert" to "Best Advice From Big Mac". One of the questions that stood out was "Where'd You Get That Hat". The answer was surprisingly simple "She won it bobbing for apples at the Ponyville fair".

For those who are wondering why was this an issue, it was only due to the fact that most of the fans have portray her hat to be a keepsake from her parents. This was prevalently use in fanfiction and also in comics.

## **Discussion Time**

*In today's Discussion Time:*

In today's episode of "The MBS Show" we are joined by Sketchy Sounds and we discuss about, why part of the fandom is angry at Princess Twilight Sparkle appearing in the comics, then why you should get the comics and how the fandom partially influence the show and we end it with is it a good idea and is it possible to have fan voice actors to be part of the show.
