6:30 PM PLANT BASED APPETIZER & DESSERT BUFFET

The book, "Drawdown," identifies a "Plant-Rich Diet" as the fourth most impactful solution to draw down carbon from the atmosphere and reverse global warming.

7:00 PM FILM

FOLLOWED BY SKYPE Q & A WITH PRODUCER,
VICTORIA MORAN, HOST OF MAIN STREET VEGAN PODCAST ON UNITY RADIO

The film follows Thomas Jackson on a quest across America, to the UN Climate Conference in Morocco, and throughout the Indian Subcontinent, to ask the question, "Can compassion grow to include all beings? Drawing on traditions including Christianity — Evangelical, Roman Catholic, Eastern Orthodox, Friends (Quakers), Seventh Day Adventism, Unity and more; Judaism; Islam; Hinduism; Buddhism; Jainism; the Native American Tradition; Unitarian Universalism; Zoroastrianism; and the spiritual but not religious point of view, A Prayer For Compassion, calls on people of faith and spiritual seekers to bring about a world in which we have widened and deepened our circles to include all on the interconnected web of existence.
