Our meeting opened with a devotional.

The Sunday School student and teacher celebration on June 1 was a success with an ice cream sundae bar and cake, good turnout of members.

The June 8 gathering and potluck was well attended, about 50, with a wide variety of food items.

We continue to work with our membership numbers. Several of us provided contact updates on members that were reached out to. We need to convey the obligations to be a member of UCC per the Constitution and share the benefits and offerings to be invitational. We are close to submitting the final count to Council.

We will work with Lori Newlin from Worship to arrange a brunch potluck for the outdoor service on July 27.

Our summer outing will be at Octopi Brewing on August 8.

Plans for a Fall Potluck are in the works.

Our next meeting is July 15 at 3:30.

Susan closed our meeting with a prayer.
