Bạn đang xem: Exile là gì

**Learn the words you need to communicate with confidence.**

Although exiles used numerous strategies – from demonstrations to publications – to remind the world of their case, their influence remains a matter of discussion.

Many monks and exiles have become somewhat critical of over-achieving monks mingling with foreigners and spending more time away abroad than in the community.

Exiled intellectuals are a useful testing ground because their status as exiles called into question their professional, social and national identity.

The arrivals of fugitives, refugees or exiles in the border cities were carefully registered and included in periodical reports.

Architects rightly feared that books of stock plans like this would become the basis for builders' homes, thus exiling the architect from the housing market.

The author used the testimony of 227 survivors as well as recollections of his own 11 years of labour camps and exiles.

Second, as already mentioned, historical research on exiles started only after the political revolution intended by the exiles had taken place.

Interest in the continent is almost exclusively focused on exiles and migrants, rather than on diplomatic developments.

Ironically, although exiles themselves the nuns were in a strong position to assist the royalist cause.
