

## Raport de evaluare a mobilității de la Iași, 20-24 noiembrie 2023, din cadrul proiectului Erasmus+ KA2- CALL

### Concluzii:

Evaluarea a fost realizată prin observare directă, discuții cu participanții, culegerea de impresii pe tablă și chestionar feedback

- Chestionarul a fost completat de membrii ai tuturor celor 6 școli partenere la finalul întâlnirii (24.11.2023) în format google forms;
- Soluțiile de cazare au fost considerate ca fiind **foarte bune** de 64% din respondenți (o parte din respondenți fac parte echipa română=fără cazare);
- Relațiile interumane stabilite pe durata mobilității au fost considerate ca fiind foarte bune de 64% din respondenți;
- Activitățile sunt considerate ca fiind relevante în raport cu obiectivele proiectului de marea majoritate a participanților 84%;
- Activitățile cele mai apreciate au fost: excursia la rezervația naturală din zona Neamț, vizitarea orașului, workshop-urile etc.
- Sugestiile de îmbunătățire: creșterea numărului de activități practice și de lucru în echipe mixte, intercunoaștere.

**Please mention some activities you liked most. Why?**

I loved the trip to Târgu Neamț

The stressfull but fun presentations

visiting the bisons and botanic garden and guided tour

The trip to Neamt

I liked the zoo

Dancing, going to the botanical garden because we made friends along the way and had so much fun

botanic garden , iasi guided tour , workshops , trip to targu neamt , family dinner

The game with penguins

I liked our singing and dancing after lunch.

The calculation of the carbon footprint, the dancing at every lunch.

Iasi sightseeing, and the activities at school

I loved the presentations we had on Monday and the Eco conference in the library

Dancing

The trip to Târgu Neamț, the family dinner, the guided tour

I liked when we went to the Citadel, because it was beautiful

I liked the road trip to citadel, I also liked when we were hiking up the mountain to citadel!

The food with Raduuù

the penguin activity in the botanical garden the experiment with carbon the icebreaking games

I liked going on a trip because i like to see something new.

Going to Neamț

Games and presentations

Games. Presentations.

Touring the city and seeing the historical sights was probably the best ice breaker for me because not only did I learn some nice facts about the city, I also got closer with the students from the program

Visit the Fortress

The trip, because there is the opportunity to talk each other more.

Game, presentations

Visit of the town / online presentation of different countries

I like when we play games whit other people And eat together

The dancing after lunches, because we had the chance to interact with all the different cultures.

Dancing during lunch, play together and the visit in the city. It was very interesting and funny

the visit to the park

Botanical Garden

The one which we went hiking. The wiew of the castle was amazing

Projects about the most important problems of our society

I enjoyed the "Go on green" conference and the panel the most, because these activities were very challeging and interactive. Also, I loved the family dinner, because I had the opportunity to get to know a lot of students from other countries better.

Workshop, presentetions, visite

Castle trip

excursie la zimbrarie, dar toate activitățile cu invitații au fost inedite.

I enjoyed the dinner with the family, it was very fun

I liked to spend time with romanian families because i ate traditional food.

I think everything is cool

All of them

Castle because its have amazing view (its so cold btw) :)

Presantations

Groups activity

The activities in the botanical garden

Chemistry lab, games, dances, botanical garden, upcycling, hospitality

The activity that I liked the most is the tour to the town. But every day in Iasi was more than wonderful.

Zoo

Upcycling workshops

### **Do you have any suggestions for improving our project meetings?**

No

Nope

Maybe upgrade the planing of activities and times

We are very organised and communicative so I don't think so

No

Not eating chicken every day

everything was great, except the weather 😞

It was everything perfect

Some of the activities were not that intresting and irrelevant.

Not eating chicken every day.

Everything was perfect 🙌👉

More ice breaking time. I loved how we united by playing volleyball 😄😄

No, it was perfect

I would recommend more activities to get to know each other

I would recommend less theoretical lessons and more activities

Leaving more time for any delays

More activities for students communication

More activities for students.

We should meet more often

Everything was ok  
No everything is very good  
More aktivivii for students  
Presenting different countries (students and teachers) in person before presenting the works  
No, everything was amazing  
I wish it were longer, but I know that's not possible  
Everything was good  
it was perfect  
Can be more field trip  
Dances  
Maybe we could organize more activities which involve interactions with our colleagues from other countries.  
Everything was perfect  
No, its great already  
no it was perfect like this :)  
I don't think so  
no  
Everything ok  
No :) =) =- )  
Activities could be relevant with project more  
More activities in internationals groups  
Shorter activities, better english speakers  
Everything was perfect!  
We could make less presentations and more activities.  
Can be more trip :)  
More time for activities - two weeks
