

## Sinclair Wash Plant List - Rio de Flag Trail

By Janice Busco; additions by Mar-Elise Hill. Scientific names updated by Susan Lamb.

T=tree S=shrub G=grass H=herbaceous L=sedge (grass-like) C=cactus

### Riparian plants only

|                                          |              |                                                 |
|------------------------------------------|--------------|-------------------------------------------------|
| <i>Acer negundo</i> var. <i>interior</i> | T            | boxelder                                        |
| <i>Carex</i> sp.                         | L            | sedge                                           |
| <i>Equisetum laevigatum</i>              | H            | smooth horsetail                                |
| <i>Erythranthe guttata</i>               | H            | seep monkeyflower                               |
| <del><i>Lemna</i> sp.</del>              | <del>H</del> | <del>duckweed</del>                             |
| <i>Populus angustifolia</i>              | T            | narrowleaf cottonwood                           |
| <i>Persicaria lapathifolia</i>           | H            | dock-leaf smartweed                             |
| <i>Rudbeckia laciniata</i>               | H            | cutleaf coneflower                              |
| <i>Salix exigua</i>                      | S            | coyote willow — short-lived and thicket-forming |
| <i>Salix laevigata</i>                   | T            | polished willow — shrub                         |
| <i>Salix lasiolepis</i>                  | T            | arroyo willow — shrub                           |
| <i>Sidalcea neo-mexicana</i>             | H            | alkali pink                                     |
| <i>Sisyrinchium demissum</i>             | H            | blue-eyed grass                                 |
| <i>Typha latifolia</i>                   | H            | broad-leaf cattail                              |

### Canyons and Riparian zones only

|                               |   |                                                 |
|-------------------------------|---|-------------------------------------------------|
| <i>Apocynum cannabinum</i>    | H | Indian hemp                                     |
| <i>Brickellia grandiflora</i> | H | tassel-flower brickellbush                      |
| <i>Coreopsis tinctoria</i>    | H | golden tickseed (annual)                        |
| <i>Heuchera parvifolia</i>    | H | littleleaf alumroot                             |
| <i>Iris missouriensis</i>     | H | western blue flag                               |
| <i>Rhus glabra</i>            | S | smooth sumac                                    |
| <i>Ribes aureum</i>           | S | golden currant                                  |
| <i>Sambucus racemosa</i>      | S | red elderberry                                  |
| <i>Thalictrum fendleri</i>    | H | meadowrue                                       |
| <i>Valeriana arizonica</i>    | H | Arizona valerian                                |
| <i>Vitis arizonica</i>        | S | Arizona/canyon grape (observed but not on list) |

### Complete List for Sinclair Wash

|                                              |   |                    |

| <b>non-native</b> <i>Bromus inermis</i>     | G | smooth brome               |
| <i>Calylophus hartwegii</i>                 | H | sundrops                   |
| <i>Carex sp.</i>                            | L | sedge                      |
| <i>Ceanothus fendleri</i>                   | S | mountain lilac             |
| <b>non-native</b> <i>Centaurea diffusa</i>  |   | diffuse knapweed           |
| <i>Chenopodium berlandieri</i>              | H | pitseed goosefoot          |
| <i>Chrysothamnus nauseosus</i>              | S | rubber rabbitbrush         |
| <b>non-native</b> <i>Cirsium vulgare</i>    |   | bull thistle               |
| <b>non-native</b> <i>Conium maculatum</i>   |   | poison hemlock             |
| <i>Conyza canadensis</i>                    | H | Canadian horseweed         |
| <i>Coreopsis tinctoria</i>                  | H | golden tickseed            |
| <b>non-native</b> <i>Dactylis glomerata</i> |   | orchard grass              |
| <i>Dieteria canescens</i>                   | H | hoary false tansy-aster    |
| <i>Echinocereus sp.</i>                     | C | hedgehog cactus            |
| <i>Equisetum laevigatum</i>                 | H | smooth horsetail           |
| <i>Erigeron divergens</i>                   | H | rough fleabane             |
| <i>Eriogonum racemosum</i>                  | S | red-root buckwheat         |
| <i>Erythranthe guttata</i>                  | H | seep monkeyflower          |
| <i>Fallugia paradoxa</i>                    | S | Apache plume               |
| <i>Festuca arizonica</i>                    | G | Arizona fescue             |
| <i>Festuca ovina</i>                        | G | sheep fescue               |
| <i>Gaura coccinea</i>                       | H | scarlet beeblossom         |
| <i>Gaura mollis</i>                         | H | lizard tail                |
| <i>Geranium caespitosum</i>                 | H | pineywoods geranium        |
| <i>Grindelia aphanactis</i>                 | H | rayless gumweed            |
| <i>Helianthus annuus</i>                    | H | annual sunflower           |
| <i>Heliomeris multiflora</i>                | H | showy goldeneye            |
| <i>Heuchera parvifolia</i>                  | H | littleleaf alumroot        |
| <i>Holodiscus dumosus</i>                   | S | rock spirea                |

|                                                |   |                           |
|------------------------------------------------|---|---------------------------|
| <i>Houstonia wrightii</i>                      | H | pygmy bluet               |
| <b>non-native</b> <i>Humulus americanus</i>    |   | hops                      |
| <i>Ipomopsis arizonica</i>                     | H | Arizona ipomopsis         |
| <i>Iris missouriensis</i>                      | H | western blue flag         |
| <i>Juniperus deppeana</i>                      | T | alligator juniper         |
| <i>Juniperus scopulorum</i>                    | T | Rocky Mountain juniper    |
| <b>non-native</b> <i>Lactuca serriola</i>      | H | prickly lettuce           |
| <i>Lemna sp.</i>                               | H | duckweed                  |
| <i>Lepidium virginicum</i>                     | H | poorman's pepperwort      |
| <i>Linum lewisii</i>                           | H | blue flax                 |
| <i>Lupinus argenteus</i>                       | H | silvery lupine            |
| <i>Lupinus kingii</i>                          | H | King's lupine             |
| <b>non-native</b> <i>Melilotus albus</i>       | H | white sweetclover         |
| <b>non-native</b> <i>Melilotus officinalis</i> |   | yellow sweetclover        |
| <i>Mentzelia nuda</i>                          | H | bractless blazingstar     |
| <i>Muhlenbergia montana</i>                    | G | mountain muhly            |
| <i>Muhlenbergia richardsonis</i>               | G | mat muhly                 |
| <i>Muhlenbergia rigens</i>                     | G | deergrass                 |
| <i>Muhlenbergia wrightii</i>                   | G | spike muhly               |
| <b>non-native</b> <i>Nepeta cataria</i>        | H | catnip                    |
| <i>Oenothera elata</i>                         | H | Hooker's evening primrose |
| <i>Opuntia sp.</i>                             | C | prickly pear              |
| <i>Parthenocissus inserta</i>                  | H | woodbine/Virginia creeper |
| <i>Pascopyrum smithii</i>                      | G | western wheatgrass        |
| <i>Penstemon linarioides</i>                   | H | toadflax beardtongue      |
| <i>Penstemon virgatus</i>                      | H | wandbloom beardtongue     |
| <i>Phacelia egea</i>                           | H | Kaweah River phacelia     |
| <i>Pinus edulis</i>                            | T | two-needle pinyon pine    |
| <i>Pinus ponderosa</i>                         | T | ponderosa pine            |
| <i>Piptochaetium pringlei</i>                  | G | Pringle's speargrass      |
| <i>Hilaria jamesii</i>                         | G | James' galleta grass      |
| <i>Poa fendleriana</i>                         | G | mutton grass              |
| <i>Polygonum lapathifolium</i>                 | H | dock-leaf smartweed       |
| <i>Populus angustifolia</i>                    | T | narrowleaf cottonwood     |
| <i>Potentilla crinita</i>                      | H | bearded cinquefoil        |
| <i>Potentilla hippiana</i>                     | H | woolly cinquefoil         |
| <b>non-native</b> <i>Potentilla recta</i>      | H | sulphur cinquefoil        |
| <i>Purshia stansburyana</i>                    | S | Stansbury's cliffrose     |

|                                                |   |                         |
|------------------------------------------------|---|-------------------------|
| <i>Quercus gambelii</i>                        | T | Gambel oak              |
| <i>Rhus glabra</i>                             | S | smooth sumac            |
| <i>Rhus trilobata</i>                          | S | threeleaf sumac         |
| <i>Ribes aureum</i>                            | S | golden currant          |
| <i>Ribes cereum</i>                            | S | wax currant             |
| <i>Rosa woodsii</i> var. <i>arizonica</i>      | S | Wood's rose             |
| <i>Rudbeckia laciniata</i>                     | H | cutleaf coneflower      |
| <b>non-native</b> <i>Rumex crispus</i>         | H | curly dock              |
| <i>Salix exigua</i>                            | S | coyote willow           |
| <i>Salix laevigata</i>                         | T | polished willow         |
| <i>Salix lasiolepis</i>                        | T | arroyo willow           |
| <i>Sambucus racemosa</i>                       | S | red elderberry          |
| <i>Schizachryium scoparium</i>                 | G | little bluestem         |
| <i>Senecio flaccidus</i>                       | H | threadleaf senecio      |
| <i>Sidalcea neo-mexicana</i>                   | H | alkali pink             |
| <b>non-native</b> <i>Sisymbrium altissimum</i> |   | tall hedge-mustard      |
| <i>Sisyrinchium demissum</i>                   | H | blue-eyed grass         |
| <i>Solidago canadensis</i>                     | H | Canada goldenrod        |
| <i>Sphaeralcea fendleri</i>                    | H | Fendler's globemallow   |
| <i>Symphyotrichum falcatum</i>                 | H | white prairie aster     |
| <i>Symphyotrichum lanceolatum</i>              | H | white panicle aster     |
| <i>Thalictrum fendleri</i>                     | H | meadowrue               |
| <b>non-native</b> <i>Tragapogon dubius</i>     |   | salsify                 |
| <i>Typha latifolia</i>                         | H | broad-leaf cattail      |
| <b>non-native</b> <i>Ulma pumila</i>           | T | Siberian elm            |
| <i>Valeriana arizonica</i>                     | H | Arizona valerian        |
| <i>Verbena macdougalii</i>                     | H | MacDougal verbena       |
| <i>Vicia americana</i>                         | H | American purple vetch   |
| <i>Xanthisma gracile</i>                       | H | grass-leaf sleepy daisy |
