Call from the Crow's Nest

October is off to a great start at PHS as we continue to focus on student growth and helping our students plan for post-secondary success. Our senior students have been busy taking important steps toward life after high school, with our Senior Parent Information Night event, College Application Day, and the Pirate Pursuits proposal deadline.

We also celebrated our students' achievements and leadership through the National Honor Society Induction Ceremony this past week, recognizing those who exemplify scholarship, service, leadership, and character. In addition, we are proud of our high school students for serving as role models to younger Pirates across the district - whether reading with elementary students or helping out with clubs, they continue to make a positive impact in our schools. On the athletic front, congratulations to our Boys Soccer team on capturing the conference championship! We're excited to cheer them on as we host a playoff game this Saturday - Go Pirates! Also, it was great to see so many staff members at our football game and XC meet this weekend, supporting our student-athletes.

Looking ahead, this is a short week with MFPE Days coming up. For convenience, below is a link to the MFPE/PIR Flex Days Requirements Form, which should be submitted to the District Office by May 1st to document your 12 hours for the year. I have also included a link below to the PHS Staff Favorites List. Thank you for your continued dedication and for all you do to support our students, colleagues, and school community.
