

## ShiftinEdu Sponsorship Opportunities

ShiftinEdu is a Summit for Forward Thinkers that will take place in Miami, FL on October 23-25, 2019. Our lineup of renowned Keynote and featured speakers brings educators and leaders from all over the world to share and learn about innovative methodologies and technologies. Because this is a not-for-profit event, we need sponsors to help fund speakers, swag, food, door prizes, and event happenings. Approximately 350 people attend, including independent school administrators and district-level decision-makers. Our goal is to have attendees and sponsors truly connect and feel a part of the [ShiftinEdu](#) experience. This year's sponsorship opportunities include:

- **Sponsor Passport Challenge to win prizes (during all scheduled daily breaks)**
- **Happy Hour located in vendor area on Wednesday and Thursday**

We provide the following opportunities for our sponsors and evaluate applicants in accordance with the spirit of ShiftinEdu and partnership building. Check off the level of sponsorship, complete the form, and submit both of these pages. Please send any questions about sponsorship to [shift@sseds.org](mailto:shift@sseds.org).
