

# Serve Team Leadership – Fall Huddle 2022

Oct 30 | noon - 1pm | Huddle Room @ the 210 | the one where we catch up on “Discipleship Paths & Calendar...”

**\*\* Invite • train • send • support \*\***

---

## GOALS:

*Discuss the details of how we're thinking about Equipping, Connecting, Culture, & Calendar — and what role you play.*

## // **CELEBRATE some wins:**

- What is something GOOD that's happened recently in / through your team or area of leadership? (new people connecting, encouragement from someone, clarity about...)

---

## // **Some big [and not so big] changes to The Village Calendar:**

Check out this [Discipleship Pathway](#) document. It sets up and fills in a lot of gaps.

- **Connect Months** (Feb, June, Oct) – “Im New Here” / Baptism Basics / Village Gate / Baptism.
- **Equip Classes – "Runways for Christian Living"** (Jan, May, Sept): Around the **Table** / Under the **Word** / Among **Neighbors**, each teased out over 4 weeks, 3 times a year on Sunday mornings from 9-10a.
- **Men / Women Rhythms & Content** – 6 connect events / 1 intensive (mancamp / retreat / conference) / bible studies on own.

## // **Two other considerations:**

- **Rest Months are for...** – Rest.
- **Categories for reflection** – how are we effectively taking "next steps" towards making, maturing, and multiplying disciples as "*measured* / perceived" by engagement around The Village. | **ACQUAINTED > CONNECTED > COMMITTED.**

---

## // **ODDS & ENDS:**

- A29 • Ministry Mixer Review • Advent Preaching.
- [myvillagechurch.com/stl](https://myvillagechurch.com/stl) – go here for your “Serve Team Leader” needs. **\*\*anything else?\*\***
- Use this however you please >> [myvillagechurch.com/onboarding](https://myvillagechurch.com/onboarding) – first stop for new volunteers?

## // **Action items:**

- Submit desired budget needs. #MT
- Aim for December to tidy up any team needs.
- Consider how an **increased mindfulness of hospitality & connectivity** can flow through your team / leadership.
