Subject: Proposal to Start an Evangelism Team Ministry

Dear Parish Council Members,

I hope this message finds you well. I am writing to propose the formation of an evangelism team ministry within our parish, which has already received a blessing from our priest.

The purpose of this ministry is to bring parishioners together in collaboration, prayer, and action to fulfill Christ's Great Commission, "Go and make disciples of all nations." By forming this team, we will create opportunities for outreach and evangelism, encouraging our parishioners to share their faith with the wider community. The team will also provide a supportive environment for those passionate about evangelism, offering resources and guidance to help them effectively share the Orthodox faith.

With the blessing of our priest, I believe this ministry has the potential to foster spiritual growth within our parish while also engaging those outside the Church who may be seeking a deeper connection to Christ and the Orthodox faith.

I would like to respectfully request an opportunity to present this proposal at the next Parish Council meeting. During this time, I will provide more details on the team's structure, goals, and potential activities. If approved, I will begin recruiting members and creating an actionable plan to ensure the success of this ministry.

Thank you for your time and consideration. I look forward to discussing this exciting opportunity with you all.

In Christ,
