Vetting & Barring Checks

As this post is within a School all employees who work in schools have to have a successful Data Barring Service (DBS) check. As an applicant you need to understand this and consider how this applies to you. In accordance with the DBS Code of Practice if you were shortlisted for interview, you will be required to declare any relevant convictions, adult cautions or other matters which may affect your suitability to work with children (or adults) and we will use this information as part of our interview/ pre-screening process.

¹ A third reference is only necessary if the first two references are not from an employment which involves working with children and young people or vulnerable adults.

Schools – North Tyneside*

The amendments to the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (2013 and 2020) provides that when applying for certain jobs and activities, certain convictions and cautions are considered ‘protected’. This means that they do not need to be disclosed to employers, and if they are disclosed, employers cannot take them into account. An additional change was made on 28 October 2023, which noted that all unspent conditional cautions and convictions (as defined by the Rehabilitation of Offenders Act) will be automatically disclosed. This change ensures that all records that are disclosed on a DBS Basic check will also appear on Standard and Enhanced checks.

If you are shortlisted for the next stage in our recruitment process and/or interview you will be provided with some additional information (as also referenced) to support you in what you will need to/ should not declare, you may want to contact the following organisations/ review information noted on their website which may be of assistance.
