

It's Been a Good Year

It's been a good year,
I can't complain.
I used my mind,
I used my brain.
And now we're all through,
We're moving on.
It's been a good Y-E-A-R, year!

It's been a good year,
We had some fun.
We learned a lot,
We got things done.
And now we're all through,
We're moving on.
It's been a good Y-E-A-R, year -- All done! Yeah!
