

Refining Our Continuum of Supports

Tier/Level	Interventions	Strategies/Accommodations	Assessments	Plans
	1. Provide targeted assistance to <i>teach</i> a skill 2. Provided by someone trained 3. Provides instruction for individual/small group	• Differentiated Strategies – what <i>could</i> work? • Help students overcome struggles/gaps in learning • Exist at Tier 2 - Classroom Level	• Assessments/Evaluations to provide further information to inform programming and supports	• Plans developed for individual students that detail the supports in place for student success.
Tier 2 Classroom Supports Tier 2 supports are provided by the classroom teacher, inclusive in the classroom.				
Tier 3 School Supports Tier 3 supports are supports delivered by professionals other than the classroom teacher.				
Tier 4 Intensive Supports Tier 4 supports are supports delivered by professionals accessed from outside the school, typically coordinated through a school-based team or a connected collaborative process.
