

## Rehab Center in Dhaka

Are you looking for a rehab center in dhaka?

You should be! because:

If we see the statistics of youth's increasing trend of alcohol and drug addiction. We will come to a point where we have to accept that the rate of alcohol and drug addiction is unstoppably increasing each and every year. Many people have spoiled their whole life by being preyed of this addiction. When it comes to Bangladesh, It's a land surrounded by India from three corners. Its northern and eastern part is also surrounded by mountains and hills, and these area can really be a good spot for trafficker to supply drug and alcohol.

---

Now the question is how to deal with this tragic situation, how to save youth from this fatal addiction.

In this tragic situation, we don't have any other best alternative rather than choosing a rehab center. To handle this situation Anatta Recovery has taken a concrete action of providing the Rehab Treatment in Bangladesh.
