

Thank you for expressing an interest to expand Dream of Blue Skies to a new location!

We are here to ensure the seamless transition of your chapter into our organization. However, prior to us having our first meeting to get you started, there is a criteria to meet as listed below:

- A leadership board including a president, vice-president, secretary, director of tutoring, and historian.

Once you are prepared, finalize a time that works best for you and at least one other member, and [book an appointment](#) on our website, through our “Starting a Chapter” service.

We look forward to working with you. Email us ( [dreamofblueskys@gmail.com](mailto:dreamofblueskys@gmail.com) ) with any questions!
