

EXPERIENCE

- The Cotton Shop by REVOLVE & Cotton Inc.

Pop-Up Sales Associate | August 2026

 - Educated consumers on cotton sustainability, fiber, and textile care during a high-traffic pop-up.
 - Supported on-site denim customization, collaborating with local vendors and event partners to drive brand engagement.
- Rails- Chicago, IL

Sales Associate | May 2026- July 2026

 - Maintained inventory accuracy, floor replenishment, and stock movement using Shopify.
 - Communicated product attributes, fabrication, fit, and care instructions to deliver high-touch customer service.
- McShane’s Exchange- Chicago, IL

Sales Associate | Winter 2025- Spring 2026

 - Delivered personalized styling across vintage, designer, and luxury apparel; handled steaming, garment care, and live selling.
- Johnson & Scott – Columbia, MO

Design Assistant | Fall 2024-Spring 2025

 - Documented material allocation and assisted with fabric sourcing, trim application, and prototype garment construction.
 - Supported fit preparation, construction refinement, and garment finishing for runway and ready-to-wear collections.
- Mizzou Textile & Apparel Management

Peer Learning Assistant | Summer 2023-Spring 2025

 - Instructed students in draping, patternmaking, garment construction, and CLO 3D (CAD) software.
 - Troubleshoot industrial sewing machinery; maintained departmental sample libraries, fabric archives, and block patterns.
- PASDUCHAS – Sydney, AUS

Design Intern | Summer 2024

 - Supported product development for 10–15 seasonal styles per capsule; maintained tech packs, BOMs, and spec files.
 - Attended fit sessions to document construction revisions; wrote SEO product copy detailing fabrication, trims, and care.
 - Organized sample archives, fabric swatches, and cataloged 1,000+ garments for warehouse sale inventory.
- Resale Rex LLC – Springfield, MO

Buyer & Inventory Specialist | Summer 2021-Spring 2024

 - Evaluated garment quality, construction, and condition; managed vendor purchase orders, delivery timelines, and SKU tracking in Excel.
