

## **N.J. School Districts with All-Remote Learning**

The Arc of New Jersey is committed to providing the most accurate and up-to-date information available to people with intellectual and developmental disabilities, and their families. As parents return to work and school districts continue to announce plans for all-remote and hybrid learning schedules, families need to be aware of their options for the upcoming school year. Below you will find a comprehensive list of New Jersey school districts that will offer all-remote learning in lieu of in-person instruction. Please send any updates to Michael Pearson Jr., Assistant Director, Children's Advocacy at [mpearson@arcnj.org](mailto:mpearson@arcnj.org).
