

Dear Parent or Guardian,

Your child is currently receiving individualized instruction at school through the Web-based Istation program. Your child's school has chosen to extend/ expand this experience by providing unlimited access to Istation at home!

In order to gain access to the Parent Portal and Istation Home for your child, you will need login information for your child in order to access Istation Home. If you have not received this information, please reach out directly to your child's teacher.

The first step is to install Istation on your home computer. This is a quick and easy process. Go to www.istation.com/IstationHome and follow the simple installation instructions.

The www.istation.com/IstationHome Web page also provides information on how to log in to the Istation Parent Portal, where you can view your child's progress and access reports and other resources.

For more information or help, visit www.istation.com, call 1-866-883-7323 toll-free (press 2), or e-mail support@istation.com.
